

Michigan Waterways Adventure Lab Log

Official Logbook

Celebrating 75 years of Michigan boating.

Presented by Michigan Department of Natural Resources, Michigan Geocaching Organization, Jay's Sporting Goods and Geocaching.com

What are Adventure Labs?

Adventure Labs lead you to different locations to explore. They do not require a physical container. The Adventure Lab® app expands the boundaries of traditional geocaching into new spaces and experiences while introducing innovative and fresh ideas that make exploring even more fun! The Michigan State Waterways Adventure Labs feature adventures located in four regions of Michigan. Visit Geocaching.com for more information.

Each Adventure Lab is made up of 10 different locations to explore throughout two different counties.

How the Adventure Lab works

- Download the free Adventure Lab® app and print your Waterways Adventure Lab Log.
- Log into the app with a Geocaching.com account.
- Select a Waterways Adventure Lab from the map or list.
- Navigate to the Adventure location and follow the instructions in the description.
- Once the location is found, answer the question to receive the code word.
- Once you discover the code word at each location, write it in your logbook.

Mail completed log to:

Michigan State Waterways Adventure Lab
Michigan Geocaching Organization
P.O. Box 160, Eastpointe, MI 48021
Or scan and email to MichiganWaterwaysAdventure@gmail.com

Available rewards: Pathtags and a geocoin!

Pathtags: Find all the locations in each region to receive a regional path tag, courtesy of MiGO.

Geocoin: Earn all four pathtags to qualify for a commemorative Waterways 75th Celebration Geocoin, trackable at [Geocaching.com](https://www.geocaching.com), courtesy of the Michigan DNR.

*To learn how the Adventure Labs work with no available cell service, visit www.mi-geocaching.org.

Please allow 4-6 weeks for delivery.

These Adventure Labs highlight the great waterways in Michigan. There is so much more to discover. Visit [Michigan Waterways](http://MichiganWaterways.com) to learn about recreation opportunities in Michigan.
