

## **FY 02-03 BOILERPLATE REPORT SECTION**

### **Section 222**

- A) See first document attached, December 2002 monthly school statistical report. This report is compiled each month through the fiscal year and addresses the components of paragraph A.
- B) See second through tenth documents attached to address the components of paragraph B. Additionally, the Department has streamlined the GED verification process at the Reception Center; has implemented CareerScope testing and vocational counseling at the prisons and the Reception Center; and has increased enrollment by over 10 percent. Also, the Department has provided English as a Second Language, GED test accommodation and Irlen training and materials to designated teachers in order to address specific needs of the prisoner population.
- C) See attached implementation plan, the eleventh document in this packet to address paragraph C. The Department's prison education programs are designed to allow optimum prisoner participation and to improve employability options upon release.
- D-E) See attached implementation plan, the eleventh document and the Education Action Plan, Phase II (revised and finalized September, 2002), the twelfth document to address paragraph D and E.
