

Schedule L - Tax-Free Tobacco Products Sold to Michigan Tribes

Name of Licensee	▶ FE, ME or TR Number	
	Month of Return	Year

To be eligible to receive tax-free tobacco a tribe must first enter into an agreement with the State of Michigan in which the tribe designates a single licensee to provide the tribe tax-free tobacco products. The license will receive written authorization from the Department of Treasury verifying the designation, identifying the amount of tax-free quota and the effective beginning date of such treatment.

Copies of all invoices must be attached. Failure to provide this information and documentation will result in this deduction being disallowed and an assessment being issued for the additional tax, penalty, and interest due in accordance with Public Act 122 of 1941.
