

MICHIGAN CIVIL SERVICE COMMISSION
JOB SPECIFICATION

BRIDGE SAFETY SUPERVISOR

JOB DESCRIPTION

Employees in this job serve as supervisors of subordinate personnel involved in bridge safety activities at state-owned and operated bridges. Work is performed under limited supervision and within established methods and procedures. The employee is required to plan and assign the work of lower-level Bridge Safety Officers, to review work performances and products, and to ensure conformance with established methods, policies, and procedures.

There are two classifications in this job.

Position Code Title - Bridge Safety Supervisor-1

Bridge Safety Supervisor 9

The employee serves as a first-line supervisor with responsibility for coordinating and directing the work of subordinate personnel.

Position Code Title - Bridge Safety Supervisor-2

Bridge Safety Supervisor 10

The employee serves as a second-line supervisor with responsibility for coordinating and directing the work of subordinate personnel through first-line supervisors.
