MICHIGAN CIVIL SERVICE COMMISSION
JOB SPECIFICATION

BUILDING CONSTRUCTION MANAGER

JOB DESCRIPTION
Employees in this job are responsible for planning and directing the work of professional building construction activities related to construction management and contract administration activities. The employee works under general supervision, within general methods and procedures, and exercises considerable independent judgment to adapt and apply the guidelines to specific situations. The work requires knowledge of the policies, procedures, and regulations of civilian and military building construction, and supervisory techniques, personnel policies, and procedures.

There are two classifications in this job. The information provided under each position code title represents a general description of the classification concept. To determine the appropriate level of the manager position, application of the Professional Managerial Position Evaluation System is required.

Position Code Title - Building Construction Mgr-3
Building Construction Manager 14
The employee functions as a first-line professional manager of professional positions in a complex work area, a first-line professional manager of professional positions in a standard work area receiving executive direction, a second-line professional manager of professional positions in a standard work area, a first-line manager of a professional position in a complex work area receiving executive direction, or a first-line professional manager of nonprofessional positions in a complex work area receiving executive direction.

Position Code Title - Building Construction Mgr-4
Building Construction Manager 15
The employee functions as a first-line professional manager of professional positions in a complex work area receiving executive direction, a second-line professional manager of professional positions in a complex work area, a second-line manager of professional positions in a standard work area receiving executive direction, or a third-line professional manager of professional positions in a standard work area.
