

MICHIGAN CIVIL SERVICE COMMISSION
JOB SPECIFICATION

CODE INSPECTION SUPERVISOR

JOB DESCRIPTION

Employees in this job direct and participate in code inspection enforcement activities in one of the following specialized areas: boiler, electrical, elevator, mechanical, plumbing, ski lift/amusement ride, fire safety and/or building codes. The work requires knowledge of relevant state and federal codes, and supervisory techniques, personnel policies, and procedures.

There are three classifications in this job.

Position Code Title - Code Inspection Supervisor-1

Code Inspection Supervisor 13

The employee serves as a first-level supervisor, participating in code inspection enforcement activities and directing the work of at least two lower-level inspectors in an area of code inspection.

Position Code Title - Code Inspection Supervisor-2

Code Inspection Supervisor 14

The employee serves as a second-level supervisor, participating in code inspection enforcement activities and directing the work of lower-level inspectors through first-line supervisors; or, the employee oversees the work of inspectors directly and serves as an overall assistant director of a statewide inspection program.

Position Code Title - Code Inspection Supervisor-3

Code Inspection Supervisor 15

The employee oversees the work of inspectors through lower-level supervisors and serves as the director of a statewide inspection program.

JOB DUTIES
