

COSMETOLOGY SCHOOLS

Cosmetology schools are licensed by the Michigan Board of Cosmetology. These schools offer courses of study related to beauty culture. The cosmetology curriculum entails a 1,500 hour course of instruction. Graduation from the program is a prerequisite for admission to the State Cosmetology Examination. Other programs have the following requirements:

Cosmetology Instructor
500 Hours of Instruction

Manicuring
Esthetics
Electrology
Natural Hair Cultivation
400 Hours of Instruction

Electrology Instructor
Limited Specialist Manicuring Instructor
Limited Specialist Skin Care Instructor
Limited Specialist Natural Hair
Culturist Instructor
300 Hours of Instruction

Students who graduate from a cosmetology school and successfully pass the examination may apply for a license to practice in Michigan.

Upon submission of an application to the department, an individual licensed to perform cosmetology services under the law of another state shall, without examination, be granted a license to practice the services for which that individual was previously licensed if the applicant meets the following requirements: a) is not less than 17 years of age, b) is of good moral character, and c) the requirements for registration or licensure in the particular state were substantially equal to the requirements then in force in this state. Applications are reviewed on an individual basis by the Michigan Board of Cosmetology before licensure to practice in Michigan is allowed. Such applicants not demonstrating the equivalency course work, may be required to take additional course work and/or take the State Cosmetology Examination before becoming licensed to practice in the State of Michigan.
