VISION SPECIALIST'S STATEMENT OF EXAMINATION

Michigan Department of State

INSTRUCTIONS FOR DRIVER/APPLICANT

The Department of State is seeking information to determine if you have a visual condition that may affect your ability to drive safely. This request is based on results of a vision screening at a Secretary of State office or other information received by the department. **Please complete Sections 1 and 2** and then have your vision specialist complete the other sections. Either you or your vision specialist may return the completed form to the department. Failure to have this form completed and returned may result in the suspension of your driver's license or the denial of your license application. Information provided in this statement must be based on a vision examination completed within the last six months. Payment for any examination and the preparation of this form is your responsibility. The decision to grant, suspend or reinstate an individual's driving privileges rests solely with the Department of State, which may consider other facts or conditions when making this decision.

INSTRUCTIONS FOR VISION SPECIALIST

The Department of State is seeking assistance in determining the visual condition of this patient. Your professional opinion, the answers to these questions, and any other pertinent information will help the department assess this individual's ability to safely operate a motor vehicle. After the patient has completed Sections 1 and 2, please complete Sections 3 through 7. If you need additional information, please contact the department at (517) 335-7051. Either you or your patient may return the completed form to the department.
