Employees in this job serve as professional managers over resident care staff and/or professional Developmental Disabilities Programmers. Employees may also direct the work of resident care staff through resident care supervisors. Under general supervision, the employee works within general methods and procedures and exercises considerable judgment to adapt and apply the guidelines to specific situations. The work requires knowledge of the policies, procedures, and regulations of developmental disabilities programs, and supervisory techniques, personnel policies, and procedures.

There are five classifications in this job. The information provided under each position code title represents a general description of the classification concept. To determine the appropriate level of the manager position, application of the Professional Managerial Position Evaluation System is required.

**Position Code Title - Developmental Disabilities Mgr-1**

Developmental Disabilities Manager 12

The employee functions as a first-line professional manager of a professional position in a standard work area or a first-line professional manager of nonprofessional positions in a standard work area.
