MICHIGAN CIVIL SERVICE COMMISSION
JOB SPECIFICATION

FORENSIC PSYCHOLOGIST MANAGER

JOB DESCRIPTION
Employees in this job, as certified Consulting Forensic Examiners, supervise the work of Forensic Psychologists involved in a variety of psychodiagnostic and psychotherapeutic activities and programs. The employee works within general methods and procedures and exercises considerable independent judgment in adapting and applying the guidelines to specific situations. The work requires knowledge of the policies, procedures, and regulations of forensic psychological services, training and research programs, and supervisory techniques, personnel policies, and procedures.

There are three classifications in this job. The information provided under each position code title represents a general description of the classification concept. To determine the appropriate level of the manager position, application of the Professional Managerial Position Evaluation System is required.

Position Code Title - Forensic Psychologist Mgr-2
Forensic Psychologist Manager 13
The employee functions as a first-line professional manager of professional positions in a standard work area, a first-line professional manager of a professional position in a complex work area, a first-line professional manager of nonprofessional positions in a complex work area, a first-line manager of a professional position in a standard work area receiving executive direction, or a first-line professional manager of non-professional positions in a standard work area receiving executive direction.

Position Code Title - Forensic Psychologist Mgr-3
Forensic Psychologist Manager 14
The employee functions as a first-line professional manager of professional positions in a complex work area, a first-line professional manager of professional positions in a standard work area receiving executive direction, a second-line professional manager of professional positions in a standard work area, a first-line manager of a professional position in a complex work area receiving executive direction, or a first-line professional manager of nonprofessional positions in a complex work area receiving executive direction.

Position Code Title - Forensic Psychologist Mgr-4
Forensic Psychologist Manager 15
The employee functions as a first-line professional manager of professional positions in a complex work area receiving executive direction, a second-line professional manager of professional positions in a complex work area, a second-line manager of professional positions in a standard work area receiving executive direction, or a third-line professional manager of professional positions in a standard work area.
