Dear Mr. Niemela and Mr. Fivas:

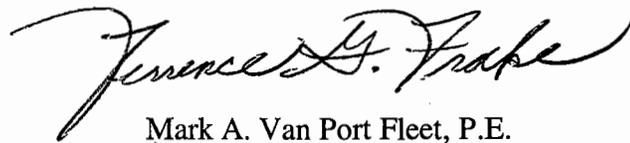

Local Agency Programs Section Federal Eligibility Guidelines and
Michigan Department of Transportation Local Agency Programs Guidelines for Geometrics

We have recently revised the Local Agency Programs Section Federal Eligibility Guidelines and the Michigan Department of Transportation Local Agency Programs Guidelines for Geometrics, with concurrence from the Federal Highway Administration. The Federal Eligibility Guidelines allow more flexibility for federal participation for parking areas. The Michigan Department of Transportation Local Agency Programs Guidelines for Geometrics revised the "3R Safety Considerations" section on page C-6 of the document.

Revised editions of the Local Agency Programs Section Federal Eligibility Guidelines and Michigan Department of Transportation Local Agency Programs Guidelines for Geometrics are available on the Local Agency Programs website at www.michigan.gov/mdotlap.

If you have any questions regarding this change, please contact either me or Chris Youngs at (517) 335-2744.

Sincerely,

Mark A. Van Port Fleet, P.E.
for Engineer of Design
