MICHIGAN CIVIL SERVICE COMMISSION
JOB SPECIFICATION
INDIAN OUTREACH WORKER

JOB DESCRIPTION
Employees in this job perform a variety of duties involving the Native American family by providing instruction, guidance, assistance, motivation and training in child care, home management methods, crisis intervention, etc., to increase client’s self sufficiency and reduce and/or prevent neglect or abuse of Native American children and/or adults.

There are three classifications in this job.

Position Code Title - Indian Outreach Worker-E
Indian Outreach Worker 8
This is the entry level. The employee works in a learning capacity as a beginning Indian Outreach Worker receiving close supervision.

Indian Outreach Worker 9
This is the intermediate level. The employee works in a developing capacity with increased responsibility for performing a range of Indian outreach activities.

Indian Outreach Worker E10
This is the experienced level. The employee performs a full range of Indian outreach assignments using considerable independent judgment to make decisions requiring the interpretation of guidelines to specific situations without consulting available supervision.

NOTE: Employees generally progress through this series to the experienced level based on satisfactory performance and possession of the required experience.

JOB DUTIES
NOTE: The job duties listed are typical examples of the work performed by positions in this job classification. Not all duties assigned to every position are included, nor is it expected that all positions will be assigned every duty.

Interviews clients to analyze, evaluate, and determine clients' needs, problems, and goals.

Assists in resolving immediate and long-range problems, such as employment, housing, health, and education by providing information about community resources and making referrals.

Makes periodic home calls to determine needs for housing, food, fuel, medical services, etc., and evaluates the need for emergency services such as furnace repair or electrical service with social service worker and provider based on information collected from these home calls.

Assists clients in completing forms and may translate for clients needing English language assistance.

Applies the mandates of the Indian Child Welfare Act for Native American families, attorneys, judges, community, local agencies, Department of Human Services' staff, and others.

Assists in crisis intervention, such as alcohol and drug detoxification, medical and mental health services, housing, etc. Provides support and guidance when dealing with alcohol abuse in the Native American family and advises where family member(s) can go for help; e.g., Alcoholics Anonymous.
Makes arrangements for medical services, housing and other services, and agencies such as SSI, Veterans' Administration, etc.

Transports clients and families to appointments.

Accompanies clients to special needs classes/agencies such as substance abuse clinics, parenting classes, friend of the court, or “safe” houses.

Serves as an expert witness in court hearings on behalf of the Native American community and on behalf of Native American children regarding foster child adoptions.

Makes presentations to various volunteer and civil organizations, and with various Indian community organizations.

Serves as an advocate and role model for clients.

Provides guidance and support to Native American families regarding such issues as child rearing, education, immunizations, substance abuse among children and adolescents, teenage pregnancy, etc.

Conducts genealogical researches and gathers information from various tribes for determination of tribal membership and tribal identification.

As a representative payee, solely manages clients' bank accounts and financial affairs.

As a third party payee, assists clients in the withdrawal and disbursement of funds.

Serves as a liaison between the Native American community and agencies such as Southeastern Michigan Indians, Salvation Army, Urban Indian Affairs, Michigan Indian Legal Service, American Indian Community Leadership Council, other Department of Human Services’ workers and state offices, Native American families and individuals.

Performs related work as assigned.

**JOB QUALIFICATIONS**

**Knowledge, Skills, and Abilities**

*NOTE:* Some knowledge in the area listed is required at the entry level, developing knowledge is required at the intermediate level, and considerable knowledge is required at the experienced level.

Knowledge of living skills and self-care techniques.

Knowledge of the various components and terminology of local and state social service programs, appropriate social service forms used for each case and/or service provided.

Knowledge of community resources available for providing assistance to Native American families including state and federal agencies providing housing, employment, health services, protection of Native American rights, and other types of public assistance.

Knowledge of the socio-economic, cultural patterns and backgrounds of Native American customs, particularly those tribes of Michigan.

Knowledge of “safety issues” when making home visits especially the potential for, and acknowledgment of, dangerous situations when visiting clients’ homes.

Knowledge of culturally sensitive and special needs to the Native American community and a concern for the future of the Native American population.

Knowledge and awareness of the symptoms and problems related to alcoholism and other dependency type drugs and how to advise the Native American family where to go for assistance/treatment.

Knowledge of federal legislation that pertains to, or affects, the Native American community.

Knowledge and ability to conduct extensive genealogical research for the determination of tribal membership.

Ability to work independently.

Ability to understand, communicate with, and establish a rapport with Native American people in the area.

Ability to organize work and establish priorities.

Ability to operate standard office equipment such as a personal computer, keyboard, telephone, etc.

**Working Conditions**

Services are provided in either the office or the client’s home.

Considerable travel is required.
