

MICHIGAN CIVIL SERVICE COMMISSION
JOB SPECIFICATION

INSTITUTIONAL TRAINING TECHNICIAN

JOB DESCRIPTION

Employees in this job provide training and instruction on a variety of work-related subjects to the staff of state residential facilities and community group homes, including, but not limited to, CPR, first aid, intervention, body mechanics, and stress management, under the guidance of a professional human resources developer.

There are four classifications in this job.

Position Code Title - Institutional Training Tech-E

Institutional Training Technician 7

This is the entry level. The employee, in a learning capacity, receives on-the-job training in the methods and processes of institutional training technician work under close supervision.

Institutional Training Technician 8

This is the intermediate level. The employee works in a developing capacity with increased responsibility for performing a range of institutional training technician assignments.

Institutional Training Technician 9

This is the experienced level. The employee performs a full range of institutional training technician assignments and uses independent judgment making decisions requiring application of established methods and procedures to specific situations.

Position Code Title - Institutional Training Tech-A

Institutional Training Technician 10

This is the advanced level. The employee functions as either a lead worker over other Institutional Training Technicians or as a senior worker performing the most complex assignments. Senior-level employees perform complex assignments beyond those expected at the experienced level which have been approved by Civil Service.

NOTE: Employees generally progress through this series to the experienced level based on satisfactory performance and possession of the required experience.

JOB DUTIES

NOTE: The job duties listed are typical examples of the work performed by positions in this job classification. Not all duties assigned to every position are included, nor is it expected that all positions will be assigned every duty.
