 5. "Tribal Entity (SBT)" means an entity other than a single Tribe (SBT) acting alone or single Resident Tribal Member (SBT) acting alone, that is wholly comprised of any combination of the Tribe (SBT) and Resident Tribal Members (SBT), or is wholly owned by Resident Tribal Members (SBT).
- B. The Single Business Tax Act (SBTA) exemptions provided by this Agreement will be applied without regard to the law under which an entity is organized. Publicly traded entities shall be subject to the SBTA without regard to Tribe (SBT) or Tribal Member (SBT) ownership and without regard to the Expanded Tribal Agreement Area.
- C. Entities in which the ownership interests are entirely comprised of one or more Tribes (SBT), Tribal Members (SBT) or Tribal Entities (SBT) that engage in business activity within the State will apportion their tax base by application of the three statutory factors (property, payroll and sales) to determine the portion of the tax base attributable, if any, to the State but outside the Expanded Tribal Agreement Area. The portion of the tax base attributable to the Expanded Tribal Agreement Area will be exempt from the SBTA.
- D. Entities which are not wholly owned by any combination of Tribes (SBT), Tribal Members (SBT) or Tribal Entities (SBT) will apportion their tax base by application of the three statutory-factors (property, payroll and sales) to determine the portion of the tax base attributable to the State and to the Expanded Tribal Agreement Area. The portion of the tax base attributable to the Expanded Tribal Agreement Area which is equal to the percentage of ownership interests held in combination of Tribes (SBT), Tribal Members (SBT) or Tribal Entities (SBT) will be exempt. The portion of the tax base attributable to non Tribes (SBT), non Tribal Members (SBT) or non Tribal Entities (SBT) is subject to the SBTA for activity within the State both within and outside of the Expanded Tribal Agreement Area. In calculating the State sales factor of the apportionment formula the numerator shall only exclude sales that are destined to:
1. The Tribe (SBT);
 2. Resident Tribal Members (SBT); and
 3. Sales shipped to destinations outside of the State.

- E. To the extent a tax base or portion of a tax base is attributable to the State under this Agreement and a tax is due, a credit against the tax may be claimed to the extent the business is conducted in an area designated as a Renaissance Zone under State law. See MCL 125.2681, et seq. The credit shall be determined in accordance with State law using the payroll and property factors. The denominator of the respective factors is calculated in accordance with State law except that payroll and property within the Expanded Tribal Agreement Area must be excluded. The numerators of the respective factors will be the property located within a designated Renaissance Zone excluding property within the Expanded Tribal Agreement Area and the payroll for services performed in a designated Renaissance Zone excluding payroll within the Expanded Tribal Agreement Area. The credit is otherwise allowed in accordance with State law.

VIII. ADMINISTRATION: GENERAL

1. Resident Tribal Members with their addresses and Tribal identification number;
 2. Tribal, Tribal Member, and Tribal Entity businesses operating within the Agreement Area. The list shall state the business name, the business address, the business(es)' federal tax identification number (if available), and the name(s) of the business owners. The list shall also identify:

Provided, however, that in identifying a facility owned, leased, or operated by the Tribe, the Tribe may designate the specific rooms in the facility where tobacco products are authorized to be stored or offered for sale under this Agreement. If such a designation is made, the State's authority to conduct inspections referenced at **§ XIII(C)(4)(a)** without a Tribal Court order shall be limited to the whole of the rooms designated and all rooms which are directly accessible from those rooms as well as all areas through which tobacco products are transported. In the absence of a designation of rooms, the State shall be permitted to inspect the entire facility designated;

- c. Businesses that are authorized by the Tribe to sell tax exempt motor fuel; and
 - d. Businesses that are authorized by the Tribe to sell tax exempt tobacco products.
3. Non-Tribal businesses operating within the Tribal Agreement Area that are authorized by the Tribe to sell tax exempt motor fuel;

The Tribe shall notify the State in writing of all lands, title to which is acquired in the name of the Tribe or in federal trust for the Tribe after execution of this Agreement, which are within the Agreement Area or claimed as Tribal and Trust Lands under § **II(K)** of this Agreement. If the parties agree, the Appendix A setting forth the Tribal and Trust Lands shall be amended to reflect all of the lands that are Tribal and Trust Lands under this Agreement.

IX. ADMINISTRATION: INCOME AND SINGLE BUSINESS TAXES

A. Income Tax

All Resident Tribal Members shall file a State tax return if they owe a Michigan Income Tax, are due a refund, or their federal adjusted gross income exceeds their exemption allowance. (See MCL 206.30 (2) and (3)). In addition a Resident Tribal Member shall file a return in all instances where a federal return is required in order to eliminate unnecessary correspondence with the Department. A taxpayer who is entitled to exemption based on this Agreement shall complete a Schedule in accordance with its instructions whereat the subtractions will be taken. These subtractions shall then be carried over to the MI 1040.

B. Withholding

Withholding is to be done in accordance with regulations/instructions applicable to all persons required to withhold.

C. Single Business Tax

A taxpayer claiming entitlement to exemptions provided in this Agreement shall prepare and file the SBT annual return form C-8000. The C-8000 shall have a box on its face indicating that the taxpayer is claiming exemptions under this Agreement. A taxpayer

who checks that box will be directed to complete a separate schedule which will guide the taxpayer through the special apportionment calculations to arrive at the non-exempt property, payroll and sales numbers which will then be carried over to the C-8000H for use in completing the return.

X. ADMINISTRATION: MOTOR FUEL TAX

The Tribe shall utilize either a quota system or a refund system to acquire motor fuel for exempt Tribal and Tribal Member use as determined by the quota or refund ceiling. The election to use a refund or quota system shall be effective for an entire calendar year. The Tribe may change from one system to the other upon at least 60 days written notice to the State. The change shall be effective on the first day of the next calendar year.

A. Quota System

1. The quota amount shall be determined by negotiation and will be reviewed, and may be adjusted by mutual consent of the parties, on request of either party but not more frequently than semi-annually (in May and November) during the first two years of this Agreement. Thereafter, the quota amount will be reviewed at the request of either party, and may be adjusted by mutual consent of the parties, but not more frequently than annually. A separate quota shall be established for gasoline and diesel. The quota will be calculated on a twelve month basis. In any given month the total amount of tax free quota motor fuel delivered to the Tribe and those authorized by the Tribe to store or sell tax free motor fuel shall not exceed 15% of the total quota amount calculated on a twelve month basis.
2. The Tribe shall purchase all of its tax free quota motor fuel from a single wholesaler licensed by the State. The Tribe shall notify the State in writing of the wholesaler it will use prior to making any purchase of tax free quota motor fuel. The State shall contact the wholesaler and authorize the quantity of tax free quota motor fuel to be sold to the Tribe. The designated wholesaler may be changed by written notice to the State providing the name of the new wholesaler and providing at least 14 days advance notice of the date that the change will be effective. The notice from the Tribe to the State shall also state the total number of gallons purchased from the old wholesaler and the number of gallons remaining to be purchased under the quota. The State shall then advise the new supplier that it is authorized to make sales of tax free quota motor fuel to the Tribe and the amount remaining under the quota.
3. The Tribe shall determine which retailers within the Agreement Area will be authorized to purchase and sell tax free motor fuel and the quantities that each retailer may acquire. The Tribe shall establish a system whereby the Tribe shall pre-approve, and clearly designate, all purchases of tax free fuel prior to submission to the wholesaler. In addition to maintaining the books and records required by State law, all authorized retailers (including the Tribe itself) shall

maintain a log of their purchases of tax free quota motor fuel showing the delivery date and the type (gasoline or diesel) and quantity of fuel purchased.

4. The Tribe shall maintain a record of its use of tax free motor fuel acquired under the quota. This record shall indicate the vehicle(s) in which motor fuel is used, the number of gallons used by each vehicle (or each category of vehicles), and a general description of the use of the vehicles.

B. Refund System

1. A refund ceiling shall be negotiated and will be reviewed, and may be adjusted by mutual consent of the parties, upon written request of either party but not more frequently than semi-annually (in May and November) during the first two years of this Agreement. Thereafter, the refund ceiling amount will be reviewed at the request of either party, and may be adjusted by mutual consent of the parties, but not more frequently than annually. Separate refund ceilings shall be established for both gasoline and diesel for which a refund will be sought. The refund ceilings shall be calculated on a twelve month basis.
2. The Tribe shall determine which retailers located within the Agreement Area will be entitled to seek a refund for sales of motor fuel. The Tribe shall be responsible for devising a means for dividing the refund ceiling(s) among the retailers authorized by the Tribe to receive refunds and the Tribe itself. The retailers authorized by the Tribe to receive refunds shall submit their claims to the Tribe which will compile them as a single request to be filed with the State on a monthly or quarterly basis. The State will then issue a single refund check to the Tribe. The State will not make additional refunds for the period covered under the refund ceiling once the refund ceiling amount has been reached.
3. In addition to maintaining the books and records required by State law, all authorized retailers (including the Tribe itself) shall maintain a log of their sales of tax free motor fuel showing the date, the purchaser's name, the purchaser's Tribal identification number, the purchaser's signature, and the amount and type (gasoline or diesel) of fuel purchased. The purchaser's signature shall not be required if a swipe card system, acceptable to both the Tribe and the State, is utilized.
4. Upon receipt of a refund request from the Tribe, the State shall verify that the refund ceiling has not been exceeded and then process the request. Interest will be paid at the statutory rate if the refund is not paid within 45 days of receipt by the Department.
5. The Tribe shall maintain a record of its use of tax free motor fuel acquired under the refund ceiling. This record shall indicate the vehicle(s) in which motor fuel is used, the number of gallons used by each vehicle (or each category of vehicles), and a general description of the use of the vehicles.

XI. ADMINISTRATION: TOBACCO PRODUCTS TAX

The Tribe shall utilize either a quota system or a refund system to acquire tobacco products for Tribal and Tribal Member use as determined by the quota or refund ceiling. The election to use a refund or quota system shall be effective for an entire calendar year. The Tribe may change from one system to the other upon at least 60 days written notice to the State. The change shall be effective on the first day of the next calendar year.

A. Quota System

1. The quota amount shall be determined by negotiation and will be reviewed, and may be adjusted by mutual consent of the parties, on request of either party but not more frequently than semi-annually (in May and November) during the first two years of this Agreement. Thereafter, the quota amount will be reviewed at the request of either party, and may be adjusted by mutual consent of the parties, but not more frequently than annually. A separate quota shall be established for cigarettes and other tobacco products. The quota shall be calculated on a twelve month basis. In any given month the total amount of tax free quota tobacco products delivered to the Tribe and those authorized by the Tribe to store or sell tax free tobacco products shall not exceed 15% of the total quota amount calculated on a twelve month basis.
2. The Tribe shall purchase all of its tax free quota tobacco products from a single wholesaler licensed by the State. The Tribe shall notify the State in writing of the wholesaler it will use prior to making any purchase of tax free quota tobacco products. The State shall contact the wholesaler and authorize the quantity of tax free quota tobacco products to be sold to the Tribe. The designated wholesaler may be changed by written notice to the State providing the name of the new wholesaler and providing at least 14 days advance notice of the date that the change will be effective. The notice from the Tribe to the State shall also state the total number of cigarette sticks and quantity of other tobacco products purchased from the old wholesaler and the number of cigarette sticks and quantity of other tobacco products remaining to be purchased under the quota. The State shall then advise the new supplier that it is authorized to make sales of tax free quota tobacco products to the Tribe and the amount remaining under the quota.
3. All cigarettes sold to retailers authorized to sell tax free cigarettes shall bear the State tribal stamp.
4. The Tribe shall determine which retailers within the Agreement Area will be authorized to purchase and sell tax free tobacco products and the quantities that each retailer may acquire. The Tribe shall establish a system whereby the Tribe shall pre-approve, and clearly designate, all purchases of tax free product prior to submission to the wholesaler. In addition to maintaining the books and records

required by State law, all authorized retailers (including the Tribe itself) shall maintain a log of their purchases of tax free quota tobacco products showing the date, type (cigarettes, cigar, chew, etc.), quantity, and brand.

B. Refund System

1. A refund ceiling shall be negotiated and will be reviewed, and may be adjusted by mutual consent of the parties, upon written request of either party but not more frequently than semi-annually (in May and November) during the first two years of this Agreement. Thereafter, the refund ceiling amount will be reviewed at the request of either party, and may be adjusted by mutual consent of the parties, but not more frequently than annually. A separate refund ceiling shall be established for cigarettes and other tobacco products for which a refund will be sought. The refund ceiling shall be calculated on a twelve month basis.
2. The Tribe shall determine which retailers located within the Agreement Area will be entitled to seek a refund for sales of tobacco products. The Tribe shall be responsible for devising a means for dividing the refund ceiling(s) among the retailers authorized by the Tribe to receive refunds and the Tribe itself. The retailers authorized by the Tribe to receive refunds shall submit their claims to the Tribe which will compile them as a single request to be filed with the State on a monthly or quarterly basis. The State will then issue a single refund check to the Tribe. The State will not make additional refunds for the period covered under the refund ceiling(s) once the refund ceiling(s) amount has been reached.
3. In addition to maintaining the books and records required by State law, all authorized retailers (including the Tribe itself) shall maintain a log of their sales of tax free tobacco products showing the date, type, quantity, and brand of product sold with the name, Tribal identification number, and signature of the purchaser. The purchaser's signature shall not be required if a swipe card system, acceptable to both the Tribe and the State, is utilized.
4. Upon receipt of a refund request from the Tribe, the State shall verify that the refund ceiling has not been exceeded and then process the request. Interest will be paid at the statutory rate if the refund is not paid within 45 days of receipt by the Department.

A Tribal, Tribal Member, or Tribal Entity retailer making a sale within the Agreement Area to the Tribe, a Resident Tribal Member, or a Tribal Entity which is exempt under the terms of this Agreement, need not collect sales tax or use tax on such a sale. For example, a vehicle use log would typically be maintained on the basis of miles driven. A copy machine log would typically be maintained on the basis of number of copies made for each respective use. A log for a piece of heavy equipment, such as a snowplow,

- b. Use Prior to Termination: Where the State, after termination of this Agreement, discovers a certificate that was used prior to termination of this Agreement, and asserts that the transaction is not exempt under this Agreement.
- c. Use After Termination: Where the Tribe uses a *Tribal Certificate of Exemption* after termination of this Agreement.

2. Tribal Member and Tribal Entity Use

- a. Use Prior to Termination Whenever Discovered: Where there is a final determination of liability against a Tribal Member or Tribal Entity which remains unpaid for 60 days following the final determination of the liability.
- b. Use After Termination: Where the State has issued a Final Assessment with respect to the use of a *Tribal Certificate of Exemption* by a Tribal Member or

Tribal Entity after termination of this Agreement and the assessment remains unpaid for 60 days after its issuance.

- c. Prior to holding the Tribe responsible as provided in this § XII(F) for the wrongful use of a *Tribal Certificate of Exemption* by a Tribal Member or Tribal Entity, the State shall give the Tribe notice of such use including the name of the Tribal Member or Tribal Entity using the certificate, the date of the occurrence and of a copy of the *Tribal Certificate of Exemption* alleged to have been wrongfully used. The Tribe agrees to pay the sales tax or use tax together with interest within 60 days of receiving the notice. The obligations contained in this § XII(F) shall survive the termination of this Agreement.

3. Contractor Exemption – Use After Termination

Notwithstanding the provisions of § XII(F)(1) and § XII(F)(2) above, a *Tribal Certificate of Exemption* provided by a Tribe, Resident Tribal Member or Tribal Entity to a contractor for the purpose of construction, improvement, or renovation of real property as permitted in § III(A)(3) shall remain effective after the termination of this Agreement by the State until the contract is completed, but not to exceed a period of 12 months, provided, however, that such contract may not be expanded or extended after the State provides notice of its intent to terminate the Agreement; provided further that the use and benefit of such certificates shall not be extended beyond the termination of the Agreement where the Agreement is terminated by the State for cause or is voluntarily terminated by the Tribe.

G. Utilities

The Tribe shall provide the State with a list of utility, telecommunications, cable, and internet providers serving the Agreement Area. The State shall advise the providers of the terms of this Agreement and that sales to named individuals and businesses shall be made without the imposition of sales tax or use tax.

H. Rental Rooms

Except as otherwise provided by this Agreement, the Tribe, Resident Tribal Members and Tribal Entities shall remit, in accordance with regular State law procedures, use tax on rooms subject to tax under State law.

XIII. ENFORCEMENT

A. General

Consistent with the purposes of this Agreement, the determination of the tax liability owed to the State by the Tribe, Tribal Members, and Tribal Entities pursuant to this Agreement, and the enforcement of the payment of any such liability, shall be made in

accordance with State law, except as modified by the terms of this Agreement. State law, including judicial decisions interpreting State law, prescribing the scope and entitlement to exemptions or deductions other than those recognized in this Agreement shall govern the determination of tax liability. To the extent that the provisions of this Agreement differ from those of the otherwise applicable State law, this Agreement shall control.

B. Enforcement Action Against Non-Tribal Members in Indian Country

The State may exercise its tax enforcement authority under State law with respect to a Non-Tribal Member or non-Tribal Entity located or doing business within Indian Country provided, however, that where the Non-Tribal Member or non-Tribal Entity is located or doing business on trust lands, the State shall, before taking any enforcement action that requires entry upon such lands, provide notice of the proposed enforcement action to the Tribal police or public safety department. Upon receipt of such notice, the Tribal police or public safety department may direct one or more officers to accompany the State officers during the enforcement activity. If the Tribal police or public safety department is unable or unwilling to promptly assign a Tribal officer to accompany the State officers the State officers may, nonetheless, carry out the proposed enforcement action against the Non-Tribal Member or non-Tribal Entity without the participation of a Tribal officer.

C. Enforcement Action Against the Tribe

1. Criminal Penalties. The Tribe and its officers, officials, employees, and agents acting within the scope of their authority are not subject to the criminal penalty provisions imposed by State law with respect to taxes that are the subject of this Agreement. This provision shall not be construed to limit the State's ability to collect interest on past due taxes as authorized by State law.
2. Notice of Audit. The State shall have the authority to conduct routine audits of the Tribe with respect to taxes that are the subject of this Agreement for all periods or partial periods commencing after the effective date of this Agreement and until this Agreement has been terminated. Prior to conducting any such audit, the State shall provide the Tribe with at least 30 days advance written notice. The notice shall include a statement of the business to be audited, the tax(es) involved in the audit, and the taxable period(s) at issue.
3. Seizure for Tax Liabilities. Tribal assets, wherever situated, are not subject to seizure nor the filing of notices of State tax liens to enforce a tax liability owed to the State under this Agreement. In lieu of such seizures and the filing of notices of State tax liens, dispute resolution or termination as provided in this Agreement shall be used to resolve issues.
4. Inspections and Seizures Within Indian Country. Notwithstanding § XIII(C)(3), for purposes of enforcing the provisions of the Tobacco Products Tax Act, the Motor Fuel Tax Act, or the Motor Carrier Fuel Tax Act, as those acts are

modified by this Agreement, the Tribe grants to the State the authority to take the following actions within the Tribe's Indian Country:

- a. The State may conduct inspections (including unannounced inspections) of Tribal facilities that have been identified by the Tribe to the State as facilities where tobacco (see § VIII(B)(2)(b)) or motor fuel (see § VIII(B)(2)(a)) products are sold or stored under this Agreement as well as the vehicles used to transport these products. If the inspection reveals any tobacco or motor fuel products held in violation of the Tobacco Products Tax Act, the Motor Fuel Tax Act, or the Motor Carrier Fuel Tax Act as those acts are modified by this Agreement, the State may seize any such tobacco or motor fuel and any vehicle (including trailers) in which such product is found together with associated books and records.
 - b. If a State officer is lawfully at a location within a Tribally owned facility and discovers in plain view any tobacco or motor fuel products held in violation of the Tobacco Products Tax Act, the Motor Fuel Tax Act, or the Motor Carrier Fuel Tax Act as those acts are modified by this Agreement, the State officer may seize such product. The authority described in this § XIII(C)(4)(b) is not intended to authorize any State officer to enter into areas not otherwise open to the public or open to inspection by the State under the terms of this Agreement.
 - i. If the State has reason to believe that tobacco or motor fuel products may be transported or stored by the Tribe within its Indian Country contrary to the terms of this Agreement, the State may apply to the Tribal Court for a search warrant authorizing inspection of such locations. The Tribal Court shall rule on the search warrant request within twenty-four hours of receiving the application and shall issue the warrant if the Court finds that the State has reasonable cause to believe that tobacco or motor fuel may be stored at the location(s) set forth in the request. If the State is concerned that unlawful product may be removed during the pendency of such an application, the Tribal police shall, upon the request of the State, secure the location or vehicle until the Tribal Court makes its determination.
 - ii. If the State seizes tobacco or motor fuel products under this § XIII(C)(4) the State shall, before removing the property, leave a written statement on the premises describing the factual circumstances and statutory and/or regulatory basis for the seizure. This statement shall be in addition to any notification required by State law.
5. State Enforcement Actions Outside of Indian Country. Except as otherwise provided in this Agreement, nothing in this § XIII(C) shall preclude the State from exercising its enforcement authority outside of Indian Country as permitted under applicable law.

D. Enforcement Action Against Tribal Members and Tribal Entities

1. General. The parties recognize that (i) tax enforcement actions, and (ii) the process of audit, assessment and appeals of tax assessments, under this Agreement may be affected by jurisdictional issues where a Tribal Member or Tribal Entity or property is located within the Tribe's Indian Country. The parties intend to avoid such effects by providing in certain instances identified in this Agreement for Tribal enforcement or joint Tribal/State enforcement. For purposes of this § XIII of this Agreement, the terms "tax enforcement action" or "enforcement action" shall refer to the power of the State Treasurer or the Commissioner of Revenue, (including his or her successor by law or pursuant to executive or administrative order) as set forth in the Revenue Act, to effectuate subpoenas, execute levies upon tangible personal property, real property or rights in such property, and to execute jeopardy tax assessments/warrants. In addition, these terms shall include the right to inspect tobacco products, to seize contraband tobacco products and related books and records held in violation of the Tobacco Products Tax Act. These terms shall also refer to the enforcement/inspection provisions of the Motor Fuel Tax Act.
2. Notice of Audit. The State, consistent with State law, shall have the authority to conduct audits of Tribal Members residing within Indian Country and Tribal Entities whose principal place of business is located within Indian Country with respect to taxes that are the subject of this Agreement. Prior to conducting any such audit, the State shall provide the Tribal Member or Tribal Entity with at least 30 days advance written notice. The notice shall include a statement of the business or entity to be audited, the tax(es) involved in the audit, and the taxable period(s) at issue. Audits of Tribal Members who reside outside of Indian Country and Tribal Entities whose principal place of business is located outside of Indian Country shall be conducted in accordance with State law.
3. Enforcement of State Judicial Orders Outside of Indian Country. The State may exercise its enforcement authority under State law with respect to the property of a Tribal Member or Tribal Entity where the property is located outside of Indian Country. Further, the State may exercise its enforcement authority under State law with respect to a Tribal Member or Tribal Entity whose person is located outside of Indian Country.
4. Enforcement of State Judicial Orders Within Indian Country. In any case where the State has obtained a State Court judgment or order affecting the person or property of a Tribal Member or Tribal Entity located within Indian Country, the State may petition the Tribal Court to grant recognition and enforcement of the State court order or judgment. The Tribal Court shall within 14 business days rule on the petition using the same standards as contained in Michigan Court Rule 2.615. If the Tribal Court grants the petition, the Tribe, upon request of the State, shall promptly direct one or more Tribal police or public safety officers to enforce

the judgment or order in the presence of and with the assistance of one or more State enforcement officers.

5. State Exercise of Non Judicial Enforcement Actions Outside of Indian Country. The State may exercise its tax enforcement authority under State law, with respect to the property of a Tribal Member or Tribal Entity where the property is located outside of Indian Country. Further, the State may exercise its tax enforcement authority under State law with respect to a Tribal Member or Tribal Entity located outside of Indian Country.
6. State Exercise of Non Judicial Enforcement Actions Within Indian Country. In any case where the State is authorized by State law to compel the production of books and records, to compel the appearance or testimony of an individual, or to undertake an audit where the enforcement action affects a Tribal Member or Tribal Entity whose person or property is located within Indian Country, and the taxpayer has failed or refused to comply with the requested State enforcement action, the State may petition the Tribal Court for an order compelling compliance with that enforcement action. The Tribal Court shall conduct a hearing on the petition within 10 business days following service by the State on the taxpayer, and shall issue its decision within 14 business days of such service on the taxpayer. If the Tribal Court determines that (i) the taxpayer is a Tribal Member or Tribal Entity, (ii) the taxpayer and/or property is located within the Tribe's Indian Country, (iii) the proposed State tax enforcement action pertains to one or more of the taxes that is the subject of this Agreement, and (iv) the proposed State tax enforcement action is consistent with relevant State law and procedures and with this Agreement, the Tribal Court shall grant the petition and shall order the taxpayer to comply. In the event that the Tribal Member or Tribal Entity fails or refuses to comply with the Tribal Court order, the Tribe shall promptly direct one or more Tribal police or public safety officers to enforce the order with the assistance of one or more State enforcement officers.
7. State Exercise of Non Judicial Enforcement Actions Where the Location of Indian Country is in Dispute. In any case where the State is authorized by State law to compel the production of books and records, to compel the appearance or testimony of an individual, or to undertake an audit where the enforcement action affects the person or property of a Tribal Member or Tribal Entity and there is disagreement between the Tribe and the State regarding whether the taxpayer or property is located within Indian Country, the State may elect to proceed based upon the assumption that the taxpayer or property is within its enforcement authority under State law. If the taxpayer fails or refuses to comply with the requested State enforcement action, and the taxpayer asserts that the taxpayer or property is located within Indian Country and the State and the Tribe stipulate that there is a dispute regarding whether the taxpayer or property is located within Indian Country, the State may petition the Tribal Court for an order compelling compliance with the enforcement action. The Tribal Court, for purposes of this Agreement only, and for no other precedential purpose, shall treat the location of

the taxpayer or property as being within Indian Country and shall follow the standards and procedures set forth in § XIII(D)(6) above. In the event that the Tribal Member or Tribal Entity fails or refuses to comply with the Tribal Court order, the Tribe shall promptly direct one or more Tribal police or public safety officers to enforce the order with the assistance of one or more State enforcement officers.

8. State Tax Enforcement Actions Outside of Indian Country Prior to a Hearing.
The State may exercise its authority under State law to seize or inspect property without a prior order or hearing, where the taxpayer is a Tribal Member or Tribal Entity whose affected property is located outside of Indian Country.
9. State Tax Enforcement Actions Within Indian Country Prior to a Hearing.
 - a. Notwithstanding § XIII(D)(6) above, in any case where the State is authorized by the Revenue Act, the Tobacco Products Act, or the Motor Fuel Tax Act, to seize real or tangible personal property or inspect such property without a prior order or hearing, and where the taxpayer is a Tribal Member or Tribal Entity and the property is located within Indian Country, the Tribe and the State shall jointly execute such action. In such cases, the enforcement action shall be taken without first filing a petition in Tribal Court provided that the State gives notice of the need for the proposed action by the Tribal police or public safety department. Such notice shall specify the grounds for the enforcement action, and the appropriate statutory or regulatory authority for such action. Upon receipt of such notice, the Tribal police or public safety department shall promptly direct one or more Tribal police or public safety officers to execute the enforcement action jointly with one or more State enforcement officers. The affected Tribal Member or Tribal Entity may, within seven days following the enforcement action, file a petition in Tribal Court seeking a review of the enforcement action under the standard described in this § XIII(D)(9)(a). If the Tribal Court determines that (i) the taxpayer is a Tribal Member or Tribal Entity, (ii) the taxpayer and/or property is located within Indian Country, (iii) the State tax enforcement action pertains to one or more of the taxes that is the subject of this Agreement, and (iv) the State action is in compliance with relevant State law procedures and this Agreement, the Tribal Court shall affirm the enforcement action.
 - b. The administrative enforcement actions authorized under this § XIII(D)(9) are:
 - Actions in furtherance of a jeopardy assessment. [MCL 205.26]
 - Inspection of vending machines or places where tobacco products are sold or stored. [MCL 205.426a]
 - Seizure of contraband consistent with the Tobacco Products Tax Act. [MCL 205.429]

- Inspections or seizures consistent with this Agreement authorized under the Motor Fuel Tax Act or the Motor Carrier Fuel Tax Act.

10. Jurisdiction: State Tax Enforcement Actions Prior to a Hearing Where the Location of Indian Country Is In Dispute.

- a. In any case where the State proposes to take any authorized enforcement action described in § XIII(D)(9)(b) above that may affect the person or property of a Tribal Member or Tribal Entity and there is disagreement between the Tribe and the State regarding whether the affected person or property is located within or without of Indian Country, the State may elect to proceed based upon the assumption that the person or property is within its enforcement authority under State law. If the State knows, prior to taking the proposed enforcement action, that (i) the taxpayer is a Tribal Member or Tribal Entity, and (ii) there is a dispute between the State and the Tribe as to whether the site of the proposed action is within Indian Country, the State shall give notice of the proposed action to the Tribal police or public safety department. Such notice shall specify the grounds for the enforcement action, and the appropriate statutory or regulatory authority for such action. Upon receipt of such notice, the Tribal police or public safety department shall promptly direct one or more Tribal police or public safety officers to execute the enforcement action jointly with one or more State enforcement officers.
- b. If the taxpayer wishes to challenge the State enforcement action on the grounds that it is unlawful under State law including any modification to State law made under this Agreement, and the taxpayer asserts that the taxpayer or property is located within Indian Country, and the State and the Tribe stipulate to the Tribal Court that there is a dispute regarding whether the person or property is located within Indian Country, the taxpayer may petition the Tribal Court to review the propriety of the enforcement action applying State law including any modification to State law made under this Agreement. The Tribal Court, for purposes of this Agreement only, and for no other precedential purpose, shall treat the location of the person or property as being within Indian Country and shall follow the standards and procedures set forth in § XIII(D)(9) above. If the Tribal Court determines that the affected person or property is not located within Indian Country or is not within the stipulated disputed area, the Tribal Court shall promptly dismiss the action.

11. Jurisdiction: Final Tax Assessment Issued or Refund Denied to a Tribal Member Residing or a Tribal Entity Operating Wholly Within Indian Country. In any case where the State has issued a final tax assessment or denied a tax refund to a Tribal Member residing within Indian Country, or to a Tribal Entity doing business wholly within Indian Country, for a tax imposed upon income, business activity, transactions, or privileges which were realized, occurred, or exercised wholly within Indian Country, and the Tribal Member or Tribal Entity wishes to appeal

the assessment or denial of refund on the grounds that it is unlawful under (i) State law including any modification to State law made under this Agreement, or (ii) the Michigan Constitution, the U.S. Constitution, or federal law, provided that such claims shall be limited to those that are not predicated on Indian Tribal membership, the Tribal Member or Tribal Entity may appeal the final assessment or denial of refund to Tribal Court within 35 days of the issuance of the final assessment or denial of refund. The Tribal Court shall follow State law relative to the practices and procedures of a case in the Michigan Court of Claims; provided however, that the taxpayer shall not be required to prepay the contested portion of the tax, penalty, or interest prior to filing the appeal. The uncontested portion of the tax, penalty, or interest shall be paid prior to filing the appeal. The Tribal Court shall make its ruling within one year of the filing of the appeal.

12. Jurisdiction: Final Tax Assessment Issued to a Tribal Member or a Tribal Entity or Denial of Refund Where the Location of Indian Country Is In Dispute.

- a. In any case where the State has issued a final tax assessment or denied a tax refund to a Tribal Member or to a Tribal Entity for a tax which the member or entity asserts is imposed upon income, business activity, transactions, or privileges which were realized, occurred, or exercised wholly within Indian Country, and the Tribal Member or Tribal Entity wishes to appeal the assessment or denial of refund on the grounds that it is unlawful under (i) State law including any modification to State law made under this Agreement, or (ii) the Michigan Constitution, the U.S. Constitution, or federal law, provided that such claims shall be limited to those that are not predicated on Indian Tribal membership, the Tribal Member or Tribal Entity may appeal the final assessment or denial of refund to Tribal Court within 35 days of the issuance of the final assessment or denial of the refund. If the Tribal Court determines all of the income, business activity, transaction, or privilege being taxed was realized, occurred, or was exercised wholly within Indian Country or the stipulated disputed area, the Tribal Court shall, for purposes of this Agreement only and for no other precedential purpose, treat the location of the income, business activity, transaction or privilege as being within Indian Country and shall follow the standards and procedures set forth in **§ XIII(D)(11)** above.
- b. If the Tribal Court determines that any of the taxes assessed or refunds denied were for a tax upon income, business activity, transactions, or privileges which were realized, occurred, or exercised within the State but outside of either Indian Country or the stipulated disputed area, the Tribal Court shall promptly dismiss the action. Once such a dismissal is entered, the Tribal Member or Tribal Entity may, consistent with State law, file a petition with the Michigan Tax Tribunal within 35 days, or a Complaint with the Michigan Court of Claims within 90 days, of the final Tribal Court order of dismissal.

13. Jurisdiction: Final Tax Assessment or Denial of Tax Refund to a Resident Tribal Member or a Tribal Entity Where Any Portion of the Activity Occurs Outside of Indian Country and Outside of a Disputed Area. State courts or tribunals will be used for the appeal of any final tax assessment or denial of tax refund to a Resident Tribal Member or Tribal Entity in those instances where any portion of the income, business activity, transaction, or privilege being taxed was realized, occurred, or was exercised within the State but outside of either Indian Country or any area where the Tribe and the State have a disagreement as to what constitutes Indian Country.
14. Application of State Law as Modified by this Agreement. The Tribe and the State agree that State law, as modified by this Agreement, will apply to the determination of tax liability or tax refund in any appeal of an assessment or denial of a tax refund filed in any State or Tribal quasi-judicial or judicial forum under this § XIII.

E. Licensure and Registration

1. Tribal Registration. The Tribe shall comply with State licensure and registration provisions for the taxes that are the subject of this Agreement. With respect to activity occurring solely within Tribal and Trust Lands, such licensure and registration shall serve only to identify Tribal operations that are subject to this Agreement. The Tribe shall not be subject to disciplinary action or penalty as a licensee or be subject to the revocation provisions applicable to any licensee under any of the taxes that are the subject of this Agreement, except for violations of the Motor Carrier Fuel Tax Act or the International Fuel Tax Agreement, to the extent not altered by this Agreement. Rather, alleged violations shall be addressed in the dispute resolution process or through termination of the Agreement.
2. Licensure and Registration of Tribal Members and Tribal Entities Outside of Indian Country. Tribal Members or Tribal Entities operating to any extent outside of Indian Country shall comply with all State licensure provisions for the taxes that are the subject of this Agreement.
3. Licensure and Registration of Tribal Members and Tribal Entities Operating Wholly Within Indian Country. With respect to Tribal Members and Tribal Entities operating wholly within Indian Country, the Tribe shall either:
 - a. Require such Tribal Members and Tribal Entities to register with the State and obtain such licenses and registrations as would be required under State law if such Tribal Members or Tribal Entities were operating outside of Indian Country; or
 - b. Establish its own licensing and registration requirements (which shall parallel State law) for all activities authorized under this Agreement requiring a State

registration or license under State law applicable to the taxes that are the subject of this Agreement, in which case the Tribe shall forward the information to the State in a format mutually agreeable to the State and the Tribe.

F. Motor Carrier Fuel Tax and International Fuel Tax Agreement.

The Tribe, Tribal Members, and Tribal Entities engaging in activity that is covered by the Motor Carrier Fuel Tax Act or the International Fuel Tax Agreement shall fully comply with all of the provisions of that Act or Agreement including registration and licensing requirements and other obligations imposed by that Act and Agreement.

G. Responsibilities of the Tribe Regarding Tribal Members and Tribal Entities.

1. The Tribe shall inform Tribal Members and Tribal Entities of the terms of this Agreement including its administrative and enforcement provisions. To the extent that this Agreement imposes duties or obligations upon Tribal Members or Tribal Entities, the Tribe shall take appropriate steps under Tribal law to require Tribal Members and Tribal Entities to perform those duties or obligations.
2. The Tribe agrees to assist the State in ascertaining that Tribal Members and Tribal Entities are fully complying with the terms of this Agreement. Upon request of the State, the Tribe shall assist the State in the assessment and collection of taxes owed under the terms of this Agreement. In those instances where a question of jurisdiction arises between the State and a Tribal Member or Tribal Entity, and the Tribe agrees with the State's position, the Tribe shall assist the court or tribunal hearing the matter by providing affidavits and/or testimony.
3. If the State notifies the Tribe that one of the offenses listed below has occurred within the Tribe's jurisdiction, the Tribe shall, within 10 business days after notice by the State of the violation, take the following action: for a first offense, give a written warning to the offending party that further noncompliance will result in termination of any Tribally issued license or authorization to operate; for any subsequent offense, commence proceedings to terminate any Tribally issued license or authorization to operate. The offenses that may trigger the above actions are:
 - a. Possession or sale by a Tribal Member or Tribal Entity (other than those in which the Tribe has an ownership interest) of cigarettes or other tobacco products which do not bear the appropriate State stamp.
 - b. Sale by a Tribal Member or Tribal Entity (other than those in which the Tribe has an ownership interest) of cigarettes or other tobacco products to Non-Tribal Members where all taxes are not fully included in the price.

- c. Possession or sale by a Tribal Member or Tribal Entity (other than those in which the Tribe has an ownership interest) of motor fuel not acquired or possessed as provided in this Agreement.
- 4. In addition to assisting the State, the Tribe shall enforce this Agreement independently. Such independent enforcement shall include:
 - a. Seizure from Tribal Members and Tribal Entities of tobacco products and motor fuel not acquired or possessed in accordance with the terms of this Agreement, and the transfer of the seized product to the State, consistent with applicable provisions of State law. In the event that the product seized and transferred to the State is sold in accordance with State law, the State shall treat the Tribe as a “local unit of government” for the purpose of sharing the proceeds of the sale as provided at MCL 205.429 or MCL 207.1130.
 - b. Establishment of Tribal mechanisms to monitor and enforce Tribal Member and Tribal Entity compliance with the terms of this Agreement; and
 - c. Notification to the State of any violations of this Agreement that the Tribe may discover.

H. Tribal Verification of State Compliance.

Upon request by the Tribe, the State shall, consistent with State law pertaining to confidentiality, provide access to sufficient information to allow the Tribe to verify that the State has paid all amounts required by this Agreement. Tribal access to such books, records and personnel shall be preceded by reasonable notice.

I. Payment of Liabilities.

In the event of a disagreement over an amount owed by either party to the other, the determination of liability shall be made pursuant to the dispute resolution process in this Agreement and not in any State or Tribal tribunal. Each party shall pay all undisputed amounts before invoking the dispute resolution process. Once the amount of liability is determined by the dispute resolution process, each party agrees to voluntarily pay that amount.

XIV. DISPUTE RESOLUTION

- A. Consistent with the government-to-government relationship between the Tribe and the State, the parties shall make their best efforts to resolve disputes by good faith negotiations whenever possible. The provisions of this § XIV are applicable to disputes between the Tribe and the State and shall not be utilized for resolution of disputes between the State and Tribal Members or Tribal Entities.

- B. At any time this Agreement is in force, the Tribe or the State may file a notice with the other party seeking dispute resolution of any matter arising between the Tribe and the State under this Agreement.
1. The party seeking dispute resolution shall give written notice to the other party stating:
 - a. The nature of the issue including reference to specific provisions of the Agreement;
 - b. The amount of money, if any, that is in contest as a result of the issue;
 - c. A statement of position as to how the issue should be resolved;
 - d. Any additional information or documentation deemed pertinent or helpful in the resolution of the issue; and
 - e. At least three proposed dates for a meeting not less than 10 business days nor more than 20 business days from the date of the notice. If the Tribe is the party filing the notice, the meeting shall be at a location designated by the State. If the State is the party filing the notice, the meeting shall be at a location designated by the Tribe.
 2. The party receiving the notice shall, within 10 business days of receipt, file a written response indicating which date is acceptable for a meeting and the precise location at which the meeting will be held.
 3. At the meeting the parties shall attempt to resolve the matter in full to their mutual satisfaction. If the parties are not able to resolve the matter in full, the parties may schedule additional meetings, agree to fact finding, or take any other mutually agreed to action in an attempt to resolve the matter. Any agreement for further efforts to resolve the dispute shall be in writing and shall provide a date following which either party may seek resolution of the matter by arbitration as provided in this § XIV(C) below.
- C. If the matter in dispute is not resolved at the meeting and no method for further efforts to resolve the matter is mutually agreed to, or following the date specified in any written agreement for further dispute resolution efforts, either party may invoke arbitration as follows:
1. A party shall send notice to the opposing party of its intention to have the matter resolved by arbitration. The notice shall name one or more arbitrators who have agreed to act to resolve the dispute. The notice shall also indicate which arbitrator the party giving notice would use if none of those listed are acceptable to the other party if acting alone. The party receiving notice shall within 10 business days of receipt indicate which arbitrator, if any, named by the party giving notice

is acceptable to act alone. If none of the named arbitrators acting alone are acceptable to the party receiving notice then that party shall name a single arbitrator who has agreed to act to serve on a panel consisting of that person, the arbitrator named by the party giving notice, and a third arbitrator named by the other two arbitrators. The two named arbitrators shall act within 10 business days of the naming of the second to name a third arbitrator.

2. The party requesting arbitration shall send copies of any notices of arbitration to all other tribes that have signed agreements that are substantially similar to this Agreement, in addition to the notice sent to the opposing party. Any tribe receiving such notice may thereafter elect to participate as a party in the arbitration as set forth below.
3. Within five business days of the naming of the arbitrator or the establishment of the arbitration panel, each original party shall submit to the arbitrator or panel, as well as to all other tribes that have signed agreements that are substantially similar to this Agreement, a list of the issues that are being submitted for resolution. The list shall designate those issues that, in the party's view, are likely to require interpretation of the terms of the Agreement including reference to specific provisions of the Agreement. Following these submissions, all parties, including all intervening tribes, shall have seven business days to comment on the issues proposed for submission. Within 14 business days after the time allowed for comment, the arbitrator or the panel shall advise all parties of the issues to be addressed and establish a timetable to resolve those issues within 90 days thereafter. The arbitrator or panel shall designate which issues are likely to require interpretation of the terms of the Agreement, including reference to specific provisions of the Agreement. The timetable shall provide for discovery, submission of written argument and other materials, and if requested by either party for oral presentation including presentation of witnesses. Following submission of the materials and argument the arbitrator or panel shall, consistent with this Agreement, determine and award taxes due, refunds owed or such other matters as the circumstances warrant.
4. Each party shall bear its own costs incurred in the dispute resolution. The costs and fees charged by an arbitrator or arbitration panel shall be borne one-half by the State and one-half by the Tribe(s).
5. Matters of State law that are properly before the arbitrator or panel shall be resolved by applying State law.
6. The award of the arbitrator or panel shall set forth the factual findings, legal conclusions, and conclusions as to the interpretation of the terms of the Agreement on which it is based. The award shall be dated and shall be final and binding on the parties with regard to the dispute that it resolves. In addition, the award shall survive termination of this Agreement.

7. The decision of the arbitrator or panel shall designate which issues require interpretation of the terms of this Agreement. The decision of the arbitrator or panel regarding such issues shall be binding precedent in all future disputes regarding this Agreement and all agreements with other Tribes that are substantially similar to this Agreement. Conclusions as to State law shall not be precedent and future arbitrators or panels shall determine such matters based on applicable State law. Matters resolved by settlement or consent agreement shall be binding only on the parties to the settlement or consent agreement.
 8. In order to serve as an arbitrator under this Agreement for the purposes of resolving a dispute under this § XIV, a candidate must be admitted to practice law in the court of highest jurisdiction in any state of the United States or the District of Columbia, shall be a member in good standing of the bar of admission, and shall have experience in taxation or federal Indian law.
 9. Except as otherwise provided in this § XIV or mutually agreed by the parties, the arbitration shall proceed in accordance with the policies and procedures of the Commercial Rules of Arbitration of the American Arbitration Association; provided, that the arbitration itself shall not be administered by or proceed before the American Arbitration Association.
- D. Engaging in the dispute resolution process does not preclude either party from seeking termination of this Agreement as provided at § XV.

XV. TERM AND TERMINATION

This Agreement shall be for an indefinite term and shall remain in force and effect until terminated as provided in this § XV.

A. Termination Without Cause

The Tribe or the State, acting through its Treasurer or his or her designee, may terminate this Agreement by giving written notice to the other party of its intention to terminate. The notice shall state a termination date which shall not be sooner than 90 days from the date of the notice and except as provided in § XV(B) shall not take effect sooner than two years from the effective date of this Agreement. The notice of intent to terminate shall indicate at least three proposed dates for a meeting to take place within 30 days commencing with the date of the notice, to discuss the reasons for the termination. If the Tribe is the party giving the notice, the meeting shall be at a location designated by the State. If the State is the party giving the notice, the meeting shall be at a location designated by the Tribe. Within five business days of receipt of the notice, the party receiving the notice shall notify the party seeking termination as to which date is acceptable for the meeting and the precise location at which it is to be held.

B. Termination For Cause

1. Notwithstanding the provisions of § **XV(A)**, the following violations of this Agreement shall constitute sufficient cause for termination of this Agreement at any time:

 - i. Failure of a party to pay amounts determined to be due under this Agreement within 45 days of such obligation becoming final.
2. In the event that a party determines that one or more of the events listed in § **XV(B)** has occurred, that party shall request a meeting to be held within five business days of the notice for the purpose of discussing the matter. If the Tribe is the party requesting the meeting it shall be at a location designated by the State. If the State is the party requesting the meeting it shall be at a location designated by the Tribe. The request for the meeting shall provide a statement as to the nature of the alleged violation. At the meeting the parties shall discuss the

incident(s) giving rise to the meeting. Following the meeting the party requesting the meeting may:

- a. Terminate this Agreement by giving notice of termination for cause;
- b. Defer determination as to whether to seek termination for cause for a period of time pending such further investigation or consultation as the party requesting the meeting shall determine appropriate; or
- c. Waive the breach.

The party requesting the meeting shall notify the alleged offending party of its determination.

In cases where a notice of termination for cause is based on a violation of **§ XV(B)(1)(a), § XV(B)(1)(b), § XV(B)(1)(c), § XV(B)(1)(f), § XV(B)(1)(g), § XV(B)(1)(h), or § XV(B)(1)(i)**, the party requesting the meeting may terminate this Agreement immediately following the meeting subject to retroactive reinstatement in the event the arbitrator or panel determines that the violation did not occur. All other alleged violations shall, if confirmed by the arbitrator or panel, result in termination as of the date of the arbitration determination. Pending such determination this Agreement shall remain in full force and effect.
4. The party alleged to have violated this Agreement may within five business days of any notice of termination seek review of that action in accordance with the following process:
 - a. The party seeking to invoke the process shall within five business days of the notice of termination send a notice of intent to contest the termination to the other party and shall name one or more arbitrators who have agreed to act to resolve the dispute. The notice shall also indicate which arbitrator the party giving notice would use if none of those listed are acceptable to the other party if acting alone. The party receiving notice shall within five business days of receipt indicate which arbitrator, if any, named by the party giving notice is acceptable to act alone. If none of the arbitrators acting alone are acceptable to the party receiving notice then that party shall name a single arbitrator who has agreed to serve on a panel to consist of that person, the arbitrator named by the party giving notice, and a third arbitrator named by the other two arbitrators. The two named arbitrators shall act within 10 business days of the naming of the second to name a third arbitrator.
 - b. Within 14 business days of the arbitrator being named or upon the establishment of a panel, the arbitrator or panel shall establish a timetable to resolve the matter which shall not exceed 45 days from the date the arbitrator is named or the panel established. either party, for oral presentation including presentation of witnesses. Following submission of the materials and argument the arbitrator or panel shall make a single factual finding of whether the act alleged to give rise to a termination for cause has occurred. The determination of the arbitrator or the panel shall be final and binding on the parties.

- c. Each party shall bear their own costs incurred in the dispute resolution. The costs and fees charged by an arbitrator or arbitration panel shall be borne equally by the parties.

 - e. Except as otherwise provided in this § **XV** or mutually agreed by the parties, the arbitration shall proceed in accordance with the policies and procedures of the Commercial Rules of Arbitration of the American Arbitration Association; provided, that the arbitration itself shall not be administered by or proceed before the American Arbitration Association.
5. If the alleged offending party does not seek review of the termination within five business days of the notice, the termination shall be effective as of the date of the notice.

C. Final Accounting Following Termination

1. The State and the Tribe agree to pay amounts owed one to the other under the provisions of this Agreement accrued through the termination date. Within 10 business days following the termination date, a final accounting shall commence to determine the liabilities of the Tribe and the State one to the other. If none of the arbitrators named are acceptable to the party receiving notice then that party shall name a single arbitrator who has agreed to act to serve on a panel to consist of that person, the arbitrator named by the party giving notice, and a third arbitrator named by the other two arbitrators. The two named

arbitrators shall act within 10 business days of the naming of the second to name a third arbitrator.

Within 14 business days of being named the arbitrator or the establishment of the arbitration panel, the arbitrator or the panel shall establish a timetable to resolve the matter which shall not exceed 90 days. The timetable shall provide for discovery, submission of written argument and other materials, and if requested by either party for oral presentation including presentation of witnesses. Following submission of the materials and argument the arbitrator or panel shall, consistent with this Agreement, determine and award taxes due or refunds owed as the circumstances warrant. The award of the arbitrator or panel shall set forth the factual findings, legal conclusions, and conclusions as to the interpretation of the terms of this Agreement on which it is based. The monetary award of the arbitrator or panel shall be dated and shall be final and binding and shall survive termination of this Agreement.
4. Each party shall bear their own costs incurred in the dispute resolution. The costs and fees charged by an arbitrator or arbitration panel shall be borne equally by the parties.
