

**Bulletin Number:** MSA 06-57

**Distribution:** Class III Public Nursing Facilities

**Issued:** August 14, 2006

**Subject:** Long Term Care Facility Proportionate Share Pool

**Effective:** As Indicated

**Programs Affected:** Medicaid

The long term care proportionate share pool has been established to ensure continuous access to long term care services for Medicaid recipients. The fiscal year 2006 pool is \$8,218,356.00. Providers eligible to participate in the long term care proportionate share pool are Class III publicly-owned nursing facilities in operation at the time of payment.

The facility reimbursement amount of the proportionate share pool amount is determined by the number of Medicaid inpatient days the facility provided services. The number of Medicaid days is based on 2004 calendar year inpatient days as reported from the Medicaid Program Invoice Processing payment data.

The proportionate share pool reimbursement determination is not subject to the usual and customary charge reimbursement limitation.

## Manual Maintenance
