DENTAL PRIOR APPROVAL AUTHORIZATION REQUEST

Instructions for MSA-1680-B

The Dental Prior Approval Authorization Request form (MSA-1680-B) is to be used for persons with Medicaid coverage in the Fee-for-Service dental benefit and persons enrolled in Children's Special Health Care Services (CSHCS). For beneficiaries enrolled in *Healthy Kids Dental, Healthy Michigan Plan Health Plans, Integrated Care Organizations and pregnant women enrolled in a Medicaid Health Plan,* providers should contact the assigned plan for authorization requirements.

The MSA-1680-B must be completed by private dentists or community-based dental clinics (e.g., local health departments, Federally Qualified Health Centers (FQHC)). MDHHS requires that the MSA-1680-B be typewritten; handwritten forms will not be accepted.

The status of a prior authorization request may be reviewed in CHAMPS. Additionally, providers will receive a prior authorization determination letter. Approved services are required to be completed before the end of the prior authorization. To request an extension, the provider must submit a copy of the determination letter and required documentation within 15 days prior to the end date of the current authorization. If the original prior authorization is over one year old, a new prior authorization request must be submitted.

For further information on the prior authorization of dental services, refer to the Prior Authorization Section, Dental Chapter of the Medicaid Provider Manual.

Dental providers treating CSHCS beneficiaries are required to submit the beneficiary's CSHCS qualifying diagnosis related to the services being requested. For authorization of orthodontics and/or crown and bridge services for beneficiaries enrolled in CSHCS, refer to the Children's Special Health Care Services Dental Benefits Section, Dental Chapter of the Medicaid Provider Manual.

The completed MSA-1680-B may be mailed, faxed, or submitted via CHAMPS, depending on whether radiograph films are necessary, to:
