ZG	January 2008	Elementary K-5 all subjects (K-8 All Subjects Self Contained Classroom)	45	For secondary certified teachers. This program must meet all elementary certification requirements (45).

Notes:

- V-codes (e.g., VA, VB, etc.) are not included in this chart, as V-codes alone do not authorize an individual to teach in a Career and Technical Education setting. V-codes indicate possession of a separate occupational certificate with a Classification of Instructional Program (CIP) code.
- N/A indicates that the specific option is not available according to the standards for this endorsement area.
