

MICHIGAN CIVIL SERVICE COMMISSION
JOB SPECIFICATION

PARK AND RECREATION RANGER

JOB DESCRIPTION

Employees in this job participate in or oversee the safety, security, and maintenance activities of state parks, recreation areas, or boating facilities. Employees patrol grounds to ensure compliance with Department of Natural Resources rules, laws, and regulations, provide information to the public regarding recreation resources, and maintain parks, recreation, and boating facilities.

There are four classifications in this job.

Position Code Title - Park And Recreation Ranger-E

Park And Recreation Ranger 6

This is the entry level. The employee works under close supervision while learning the duties and responsibilities of a park and recreation ranger.

Park And Recreation Ranger 7

This is the intermediate level. The employee, under general supervision, performs progressively more difficult and varied park and recreation ranger duties.

Park And Recreation Ranger E8

This is the experienced level. The employee performs the full range of park and recreation ranger duties under general supervision, and uses independent judgment in making decisions.

Position Code Title - Park And Recreation Ranger-A

Park And Recreation Ranger 9

This is the advanced level. The employee oversees and participates in the daily operations of a park or separate unit of a park, recreation area, or boating facility for an assigned shift. The employee oversees lower-level Park and Recreation Rangers and other seasonal personnel while participating in the work.

NOTE: Employees generally progress through this series to the experienced level based on satisfactory performance and possession of the required experience.

JOB DUTIES

NOTE: The job duties listed are typical examples of the work performed by positions in this job classification. Not all duties assigned to every position are included, nor is it expected that all positions will be assigned every duty.

Patrols recreation areas on foot and/or by vehicle to monitor users' activities, and maintain a safe and secure environment. May issue citations or process evictions when necessary.

Resolves complaints and responds to emergency.

Develops and maintains good public relations with the general public and law enforcement officers.

Provides information to the public regarding the recreational area and specific points of interest.

Registers campers, assigns boat slips, collects camping and access fees, and sells applicable motor vehicle permits.

Accounts for all money collected and unused permits, and turns in to supervisor for processing.

Prepares bank deposits and reconciles accounts.

Maintains, cleans, and sanitizes public restrooms and other facility buildings using appropriate cleaning supplies.

Mows and cares for lawns using push-type, riding, or tractor mowers.

Trims shrubbery and uses chain saw to remove damaged or undesirable trees.

Operates and maintains heavy equipment including semi-trucks, dump trucks, backhoes, front-end loaders, bulldozers, chippers, and maintenance trucks.

Performs minor building and grounds maintenance tasks using simple hand and power tools such as hammers, saws, paint brushes, or ladders.

Performs minor maintenance on state-owned trucks, tractors, and other motorized equipment.

Traps small animals that are nuisances within the recreational area and releases them in an appropriate location.

Picks up and delivers supplies and other materials.

Maintains records and prepares reports.

May participate in the training of new workers.

May be required to obtain and maintain first aid and CPR certification.

Performs related work as assigned.

Additional Job Duties

Park And Recreation Ranger 9

Assists in the development of employee work assignments.

Participates in and oversees the work of subordinate personnel.

May be assigned supervisory responsibilities in the absence of the unit supervisor.

Ensures compliance with the safety and regulatory authority vested in the Department of Natural Resources.

Compiles various reports on park and recreational area activities.

Directs, coordinates, and participates in construction and maintenance projects in an assigned geographic area.

Directs the safe operation and maintenance of power and hand tools, and diesel or gasoline powered equipment.

Monitors vehicle and equipment logs, maintains inventory on materials and equipment, and requisitions supplies and materials for various maintenance and repair assignments.

Coordinates fire safety control activities at the work site.

Maintains an effective radio communication system.
