

MICHIGAN CIVIL SERVICE COMMISSION
JOB SPECIFICATION
PRISON COUNSELOR

JOB DESCRIPTION

Employees in this job complete and oversee a variety of professional assignments to carry out the activities of a prison counseling treatment and rehabilitation program. Work is performed by evaluating prisoners' behavior to determine when progress has been made through treatment programs.

There are three classifications in this job.

Position Code Title - Prison Counselor-E

Prison Counselor 9

This is the entry level. As a trainee, the employee carries out a range of professional prison counselor assignments while learning the methods of the work.

Prison Counselor 10

This is the intermediate level. The employee performs an expanding range of professional prison counselor assignments in a developing capacity.

Prison Counselor P11

This is the experienced level. The employee performs a full range of professional prison counselor assignments in a full-functioning capacity. Considerable independent judgement is used to make decisions in carrying out assignments that have significant impact on services or programs. Guidelines may be available, but require adaptation or interpretation to determine appropriate courses of action.

NOTE: Employees generally progress through this series to the experienced level based on satisfactory performance and possession of the required experience.

JOB DUTIES

NOTE: The job duties listed are typical examples of the work performed by positions in this job classification. Not all duties assigned to every position are included, nor is it expected that all positions will be assigned every duty.

Gives general vocational, academic, social, and personal counseling to individuals.

Evaluates prisoners' behavior, determines when progress has been made through treatment programs.

Processes security classification sheets to determine inmates' custody level.

Prepares reports and progress information for submission to the Parole Board.

Participates in misconduct hearings.

Conducts property hearings to determine what kinds of personal belongings the prisoner will be entitled to have.

Provides assistance in structuring the total institutional program for the individual prisoner.

Explains the institution and its program to prisoners.

Maintains records, prepares reports, and composes correspondence related to the work.

Develops case histories for use by psychiatrists and administrators for evaluation and treatment of social factors in the prisoner's situation, and for use in parole planning.

Interviews prisoners, their families and other interested individuals or agencies to obtain personal history data.

Meets with prisoners and prisoner groups to resolve problems and to explain rules and regulations.

Confers with administrative and medical personnel in formulating plans for work assignments, training and other aids in institution adjustment and parole preparation.

Participates in the development and implementation of substance abuse policies and programs within the facility; identifies prisoners with drug abuse problems.

Recommends either discipline or added privileges for prisoners to encourage acceptable behavior.

Performs related work as assigned.
