

MICHIGAN CIVIL SERVICE COMMISSION
JOB SPECIFICATION

PSYCHOLOGIST MANAGER

JOB DESCRIPTION

Employees in this job supervise the work of professional Psychologists in a variety of programs of psychological services, training, and research activities. The employee works within general methods and procedures and exercise considerable independent judgment to adapt and apply the guidelines to specific situations. The work requires knowledge of the policies, procedures, and regulations of psychological services, training and research programs, and supervisory techniques, personnel policies, and procedures.

There are three classifications in this job. The information provided under each position code title represents a general description of the classification concept. To determine the appropriate level of the manager position, application of the Professional Managerial Position Evaluation System is required.

Position Code Title - Psychologist Manager-2

Psychologist Manager 13

The employee functions as a first-line professional manager of professional positions in a standard work area, a first-line professional manager of a professional position in a complex work area, a first-line professional manager of nonprofessional positions in a complex work area, a first-line manager of a professional position in a standard work area receiving executive direction, or a first-line professional manager of non-professional positions in a standard work area receiving executive direction.

Position Code Title - Psychologist Manager-3

Psychologist Manager 14

The employee functions as a first-line professional manager of professional positions in a complex work area, a first-line professional manager of professional positions in a standard work area receiving executive direction, a second-line professional manager of professional positions in a standard work area, a first-line manager of a professional position in a complex work area receiving executive direction, or a first-line professional manager of nonprofessional positions in a complex work area receiving executive direction.

Position Code Title - Psychologist Manager-4

Psychologist Manager 15

The employee functions as a first-line professional manager of professional positions in a complex work area receiving executive direction, a second-line professional manager of professional positions in a complex work area, a second-line manager of professional positions in a standard work area receiving executive direction, or a third-line professional manager of professional positions in a standard work area.
