

**MICHIGAN CIVIL SERVICE COMMISSION  
JOB SPECIFICATION**

**RESOURCE PROGRAM ANALYST**

**JOB DESCRIPTION**

Employees in this job complete and oversee a variety of professional assignments involving the evaluation, assessment, planning, development and implementation of human services programs.

There are four classifications in this job.

**Position Code Title – Resource Program Analyst-E**

Resource Program Analyst 9

This is the entry level. As a trainee, the employee carries out a range of professional resource program analyst assignments while learning the methods of the work.

Resource Program Analyst 10

This is the intermediate level. The employee performs an expanding range of professional resource program analyst assignments in a developing capacity.

Resource Program Analyst P11

This is the experienced level. The employee performs a full range of professional resource program analyst assignments in a full functioning capacity. Considerable independent judgement is used to make decisions in carrying out assignments that have significant impact on services or programs. Guidelines may be available, but require adaptation or interpretation to determine appropriate courses of action.

**Position Code Title – Resource Program Analyst-A**

Resource Program Analyst 12

This is the advanced level. The employee may function as a lead worker or senior worker. At this level, employees are responsible for overseeing the work assignments of other professionals or have regular assignments, which have been recognized by Civil Service as having significantly greater complexity than those assigned at the experienced level in the series.

**NOTE:** Employees generally progress through this series to the experienced level based on satisfactory performance and possession of the required experience.
