

Distribution: School Based Services 04-04

Issued: June 11, 2004

Subject: Pen and Ink Change (*SBS 04-03*)

Effective: As Indicated

Programs Affected: Medicaid

This bulletin is to notify providers of PEN and INK changes needed to School Based Services Bulletin 04-03, issued May 21, 2004 and effective June 1, 2004. The changes appear **with the incorrect information in strikethrough and the correction in bold**. These corrections do not affect the effective date of the policy.

Page 1, 2nd paragraph:

A lower precision rate of ~~+/- 2%~~ **+/- 5%** has been approved for the summer quarter allowing a significantly smaller sample size to be used for the statistically valid time study results. The other three quarters will remain at a precision level of ~~+/- 5%~~ **+/- 2%**.

Manual Maintenance

This bulletin may be discarded once the PEN and INK changes are made to School Based Services Bulletin 04-03. Please provide a copy of this bulletin to all ISD and LEA staff involved in the administration of the Administrative Outreach Program.
