

**MICHIGAN CIVIL SERVICE COMMISSION
JOB SPECIFICATION**

SCHOOL PSYCHOLOGIST

JOB DESCRIPTION

Employees in this job complete a variety of assignments, which focus on the psycho-educational development of individuals, their abilities and potentials, and the emotional and cultural factors that influence the learning process.

There are three classifications in this job.

Position Code Title – School Psychologist-E

School Psychologist 9

This is the entry level. As a trainee, the employee carries out a range of professional school psychologist assignments while learning the methods of the work.

School Psychologist 10

This is the intermediate level. The employee performs an expanding range of professional school psychologist assignments in a developing capacity.

School Psychologist P11

This is the experienced level. The employee performs a full range of professional school psychologist assignments in a full-functioning capacity. Considerable independent judgment is used to make decisions in carrying out assignments that have significant impact on services or programs. Guidelines may be available, but require adaptation or interpretation to determine appropriate courses of action.

NOTE: Employees generally progress through this series to the experienced level based on satisfactory performance and possession of the required experience.

JOB DUTIES

NOTE: The job duties listed are typical examples of the work performed by positions in this job classification. Not all duties assigned to every position are included, nor is it expected that all positions will be assigned every duty.
