

Distribution: School Based Services 04-06

Issued: November 1, 2004

Subject: Clarification of Bulletin (School Based Services 03-04)

Effective: January 1, 2004

Programs Affected: Medicaid

The purpose of this Bulletin is to clarify policy contained in MSA Bulletin School Based Services 03-04.

The Michigan Department of Education has advised that the unrestricted, indirect cost rate cap referred to in Section VI – Claim Calculations, Subsection R – Indirect Costs (Attachment I) is not applicable to the Michigan Medicaid School Based Services Administrative Outreach Program.

Effective immediately, the LEA/ISD unrestricted, indirect cost rate used for Administrative Outreach claiming will be the actual rate approved annually by the Michigan State Board of Education. This clarification will be applied to claims retroactively to January 1, 2004.
