* = Primary reasons school did not make AYP.								
AYP Phase:								
0 - School did not meet AYP for the first time in a subject. Federal requirements do not start until the schools does not meet AYP for two consecutive years in the same subject.								
1 - School Improvement - school must offer choice and transportation.								
2 - Continuing School Improvement - school must offer choice, transportation, and supplemental services.								
3 - Corrective Action - school must continue choice, transportation, and supplemental services and take further corrective action.								
4 - Restructuring - school must continue choice, transportation, and supplemental services and develop a plan to restructure the school.								
5- Implement Restructuring Plan - school must continue choice, transportation, and supplemental services and implement restructuring plan.								
6- Comprehensive School Audit by external team; mandatory assignment of coach; limited to no decision on technical assistance funding options.								
School must continue choice, transportation, and supplemental services and continue to implement the restructuring plan.

District Name	School	Math	ELA	95% of students tested	80% Graduation Rate 85% Attendance	Student Sub-Groups Made AYP	AYP Phase	Accreditation Grade (Education/YES)
7- Comprehensive School Audit by external team; mandatory assignment of coach; no decision on technical assistance funding options; recommendation to district on status of school; intermediate school district intervention. School must continue choice, transportation, and supplemental services and continue to implement the restructuring plan.								
99 - AYP Advisory - This is a new school that did not have MEAP data prior to 2005-06. This school is given an advisory status because data are not available for the safe harbor comparison or for multiple year averaging.								
Accreditation Grade:								
No Grade - Not enough data to calculate both Achievement Status Grade because school had fewer than 30 students tested.
