

Department of State 2005 Awards of Excellence

Key Award

Steve McConnell Key Award

Left to Right: Secretary Land; Steve McConnell; Glorietta Flakes; Anne Corgan

Steve works in the Outstate Operations with the Bureau of Regulatory Services as a Departmental Technician. He received the Key Award for his enthusiasm, team spirit, professionalism and willingness to volunteer for difficult assignments. Steve is the liaison between field staff and the in-house investigators in the implementation of the Licensing 2000 software. He has an excellent rapport with management, co-workers, consumers and licensees.
