**THE COMPLAINING WITNESS, ON INFORMATION AND BELIEF, SAYS:**

On December 12, 2020 at 10:26am, the accused, MICHAEL CHAD VARRONE, telephoned Michigan Representative Thomas Albert's legislative office and left a threatening voicemail message using his cellular phone with number [REDACTED]. The accused stated, "If there is one more threat by a democratic person in Michigan that's supposed to represent me, I will personally come down there and take over that goddam building at the Capitol" He further stated, "If I'm threatened by another Senator or anybody like Cynthia Johnson, I'll personally take care of that motherfucker and their whole fucking family, there'll be no Johnsons left in Michigan." The accused stated his name was Mike Varrone and spelled his last name.

On January 7, 2021 at 6:44am, the accused, MICHAEL CHAD VARRONE, telephoned the State Capitol from his cellular phone number [REDACTED] and spoke with Legislative Services Bureau Central Control Operator [REDACTED]. The accused asked, "Is this the State Capitol?" [REDACTED] confirmed he called the Capitol. The accused then stated, "Everyone better get out of the building because it'll fucking explode" and immediately hung up.

I interviewed the accused on January 7, 2021 and he admitted [REDACTED] is his cellular phone number and nobody else uses or has access to his cell phone. He admitted to leaving the aforementioned voicemail message to Representative Albert in mid-December 2020. He was upset with public statements Michigan Representative Cynthia Johnson made. The accused admitted that he is upset with the current political climate and what occurred at the United States Capitol the previous day. The accused did not recall telephoning the Capitol on January 7, 2021 at 6:44am and stated he sometimes does not recall conversations and events when he first awakens in the morning.

Legislative Services Bureau provided phone records showing the number [REDACTED] called Representative Albertson's office and Central Control at the corresponding dates/times of the voicemail threat and bomb threat to the State Capitol.
