LAWRENCE GERARD NASSAR, D.O.
License No. 51-01-012213

Complaint No. 51-16-144749

ADMINISTRATIVE COMPLAINT

Attorney General Bill Schuette, through Assistant Attorney General Bridget K. Smith, on behalf of the Department of Licensing & Regulatory Affairs, Bureau of Professional Licensing (Complainant), files this complaint against Lawrence G. Nassar, D.O. (Respondent), alleging upon information and belief as follows:

1. The Board of Osteopathic Medicine and Surgery, an administrative agency established by the Public Health Code, 1978 PA 368, as amended, MCL 333.1101 *et seq*, is empowered to discipline licensees under the Code through its Disciplinary Subcommittee.

2. Respondent was previously licensed to practice medicine as an osteopathic physician pursuant to the Code. Respondent's license is currently revoked pursuant to the Disciplinary Subcommittee's April 25, 2017 Final Order. Respondent would be eligible to apply for reinstatement of his osteopathic license after April 25, 2020 pursuant to MCL 333.16245(4).

3. This Complaint is being filed following Respondent's conviction of a criminal offense under 520b of the Michigan Penal Code. Section 16221(b)(xiii) of the Public Health Code provides the Disciplinary Subcommittee with authority to take disciplinary action against a licensee for a conviction of a criminal offense under section 83, 84, 316, 317, 321, 520b, 520c, 520d, or 520f of the Michigan Penal Code, 1931 PA 328, MCL 750.83, 750.84, 750.316, 750.317, 750.321, 750.520b, 750.520c, 750.520d, and 750.520f. A certified copy of the court record is conclusive evidence of the conviction.

4. Section 16226 of the Code authorizes the DSC to impose sanctions against persons licensed by the Board if, after opportunity for a hearing, the DSC determines that a licensee violated one or more of the subdivisions contained in section 16221 of the Code. Section 16226(5) of the Code requires a disciplinary subcommittee to impose the sanction of permanent revocation for a violation of section 16221(b)(xiii) if the violation occurred while the licensee or registrant was acting within the health profession for which he or she was licensed or registered.

5. Section 16221(a) of the Code provides the Disciplinary Subcommittee with authority to take disciplinary action against a licensee for a violation of general duty, consisting of negligence or failure to exercise due care, including negligent delegation to, or supervision of employees or other individuals, whether or not injury results, or any conduct, practice, or condition that impairs, or may impair, the ability to safely and skillfully practice as an osteopathic physician.

6. Section 16221(b)(i) of the Code authorizes the DSC to take disciplinary action against Respondent for incompetence, which is defined at section 16106(1) of the Code as a "departure from, or failure to conform to, minimal standards of acceptable and prevailing practice for a health profession, whether or not actual injury to an individual occurs."

7. Section 16221(b)(vi) of the Code provides the Disciplinary Subcommittee with authority to take disciplinary action against a licensee for lack of good moral character, defined at section 1 of 1974 PA 381, as amended; MCL 338.41 *et seq.*, as the "propensity on the part of the person to serve the public in the licensed area in a fair, honest and open manner."
