

The Detroit Medical Center and its Subsidiaries

Organization Chart as of 04/23/10*

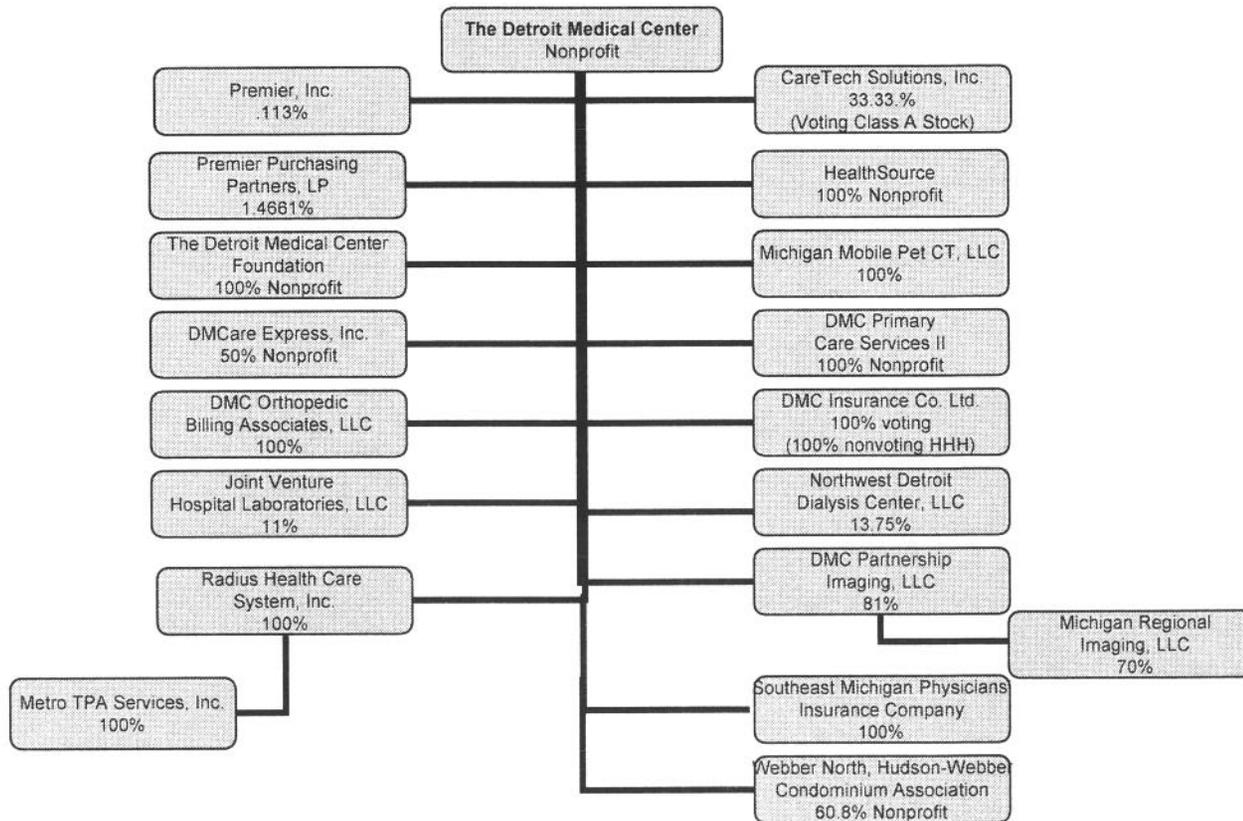

Note: The DMC hospitals are the owners of the facilities used for laundry services for the DMC, which are managed under a co-tenancy and operating agreement between the hospitals. The DMC hospitals, except Huron Valley Hospital, Inc., are also the owners of the Detroit Medical Center Cooperative Services, which processes CRNA billings for the hospitals.

*Inactive entities not included.
