Hello my name is Suzy Merchant and I'm the Women's basketball coach at MSU. The threat of school violence is something that affects everyone and needs to be taken seriously. Keeping others safe is a community project that begins with you. You can be the change by using OK2SAY.

OK2SAY is a confidential way you can report anything that threatens your safety or the safety of others. By paying attention to what's going on around you, you can be a lifesaving difference. If you see or hear something that doesn't seem right submit a tip to OK2SAY. Call, text, email, go online or use the OK2SAY app to let someone to know what's happening in your world. Your tip is confidential so you don't have to worry about retaliation, rejection or being labeled a snitch. You could be the one person that helps to prevent a tragedy.
