

# **July 27, 2009 -- Broadband Update 0001**

*Provided by the State of Michigan Planning Consortium for Broadband*

## **NOW ONLINE: 1,500+ MAPS WITH KEY CENSUS DATA**

Visit [www.michigan.gov/broadband](http://www.michigan.gov/broadband) today and explore the newly added map resources made available to assist with grant applications for Round 1 broadband stimulus money. The 1,500+ maps cover the breadth of Michigan and provide crucial details, including census blocks. The maps are downloadable zip files that can be easily viewed and saved to a desktop. To view, click on "Map Resources" in the left navigation bar.

## **FEDS RELEASE FREQUENTLY ASKED QUESTIONS**

Earlier today, the federal government released its first response to common questions pertaining to the Round 1 application process for broadband stimulus dollars. The newly released Frequently Asked Questions (FAQs) are posted to Michigan's broadband Web site at [www.michigan.gov/broadband](http://www.michigan.gov/broadband). To view, click on "Recovery Act Broadband Initiative" on the left navigation bar.
