

Talking Points for School Leaders

MI School Data Public Releases (2018-19 School Year Data Files)

Recently Released

- [Achievement Gap](#) (*secure users only) – Comparisons can be generated between a variety of subgroups including race/ethnicity, socioeconomic status, English learner, and disability.
- [District FTE Pupil Counts](#) – FTE data for all students in each school district.
- [Educator Effectiveness](#) – Summarizes how school districts have rated the effectiveness of their teachers and administrators.
- [English Learner Student Growth](#) – Report shows English learner students' progress in EL in comparison to EL peers as measured across two consecutive years of WIDA ACCESS for ELLs.
- [Student Growth](#) – Report shows changes in scores for students who have taken state assessments two or more consecutive years. Student growth is represented by the Student Growth Percentile, which groups students with a similar score history and compares their more recent performance.
- [Parent Dashboard Metrics](#) – Shows data for the most recent three school years for a selected school, the statewide average, and similar schools based on distance or student characteristics. These metrics include, *Student Attendance, Student Transfers, Qualified Teaching Staff, and Suspension and Expulsion.*

Note: All *Parent Dashboard Metrics* have been updated with peer averages for all years from up to 30 schools that are geographically nearby or possesses similar characteristics. For example, number of enrolled students, student-teacher ratio, percentage of students eligible for free/reduced lunch, and amount of money spent per student.

- [Seclusion and Restraint Data](#) – Contains district totals and total use of seclusion and restraint in LEAs, PSAs, and ISDs.

Coming Soon

- [Third Grade Assessment Outcomes for Early Childhood Participants](#) – Head Start, GSRP and GSRP/Head Start Blend providers with secure user access can review these reports to see how students enrolled in their programs performed on the third grade M-STEP assessment.

The following Workforce reports will soon be updated:
