

Talking Points for School Leaders

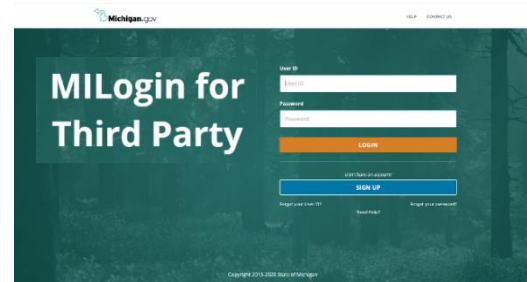

New Developments with MILogin for Third Party Accounts

Thank you for your work and communication to your region concerning the need for a MILogin for Third Party account. When we started the focused outreach a few weeks ago, the match rate was only 21%. We are happy to report that your efforts are working—the match rate is currently 67% for MI School Data and MILogin for Third Party accounts. With public access to the redesigned portal delayed by a month, we requested that the deadline for MILogin for Third Party accounts be extended. **CEPI has granted an extension for the MILogin for Third Party accounts to July 31, 2020.**

We have once again provided you with the resources and steps necessary to migrate to the new system. Please continue to assist users within your service area.

1. To retain current secure login status – users need to create MILogin Third Party account. MILogin Third Party Website: <https://milogintp.michigan.gov/eai/tplogin/authenticate?URL=/>
2. Use the **same email address/credentials as current MI School Data account. This must be completed by July 31.**
3. Security rights should transfer if the account is created before the migration date on August 1, 2020.

CEPI has created a [MI School Data Secure Account Migration to MILogin](#) to assist secure users with processes, communication steps, and FAQs. After July 31, users will need to fill out a security form and request a new account after the new MI School Data site is launched.

Please reach out to your regional contact listed below for continued guidance with the migration process.

Other Updates to Report

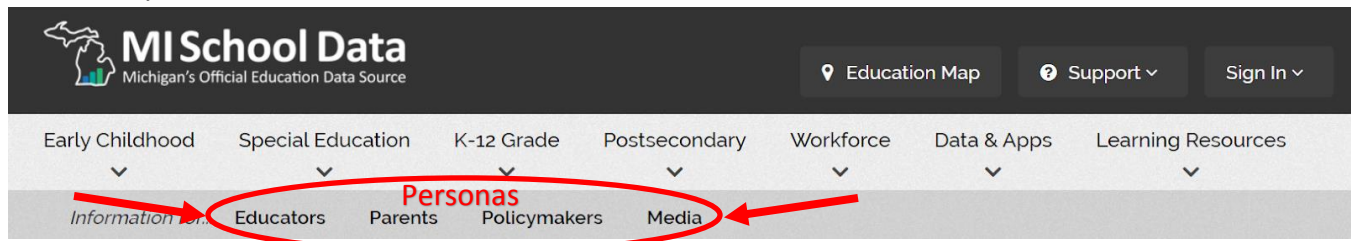

- CEPI system maintenance for MI School Data will occur from **6:00 a.m. until Noon on Sunday, July 5, 2020.**
- MI School Data Train-the-Trainer sessions for the 2020-21 school year will be scheduled after CEPI launches the new website later this summer. If you are interested in hosting a session, please contact Dr. Jennifer Parker at jparker@msd.net.

MI School Data Spotlight on *Redesign Website and Personas*

What is a Persona? Personas are a way to model, summarize, and communicate data in a written representation for intended website users. Personas are a new feature that will be available in the MI School Data portal when the redesign site launches later this summer www.mischooldata.org. Personas included in the development stage are for *Educators, Parents, Policymakers, and the Media*.

Below is a **sneak peek** of the “draft” home page menus and where the Personas are located. The Regional Advisory members continue to work on revisions to the TtT Network resources in preparation for the upcoming launch. *Stay tuned!*

MI School Data Report Releases

Recently Released

- [At-Risk Student Report](#) – identifies the number and percentage of “at-risk” third and eleventh grade students who were proficient on the M-STEP and SAT. Eighth grade Math PSAT data are now included in this report (2018-19 data).
- [Data Files](#) - new cross-tabulated files have been added to the Assessment and Accountability section. The PSAT, SAT, MI-Access and Student Growth cross-tabulated files include data for the subgroups of gender, race/ethnicity, English Learners, and students with disabilities in compliance with ESSA requirements. Cross-tabulated M-STEP and test participation data are planned for release later this year (beginning with 2018-19 data).
- [NEW School Level Expenditure Report](#) – expenditure breakdown by local, state, federal funds for LEA/PSAs in compliance with ESSA. Comparisons available at the school level/district, county, city, and ISD with multiple visual comparison tools (beginning with 2018-19 data).
- [Student Pathways Report](#) - This report requires a secure login and shows student-level information on college enrollment, coursework, cumulative credit, program and award information, and GPAs from in-state and out-of-state colleges and universities (2018-19 data).

Coming Soon

- [Average Class Size K-3](#) – metric on the **Education Dashboard** showing average class sizes for grades K-3 (2019-20 data).

*Secure users have permissions to view secure reports on MI School Data. If you're a school, district or ISD employee, contact your [ISD Technical Contact](#) to request access. If you're a college or university employee, contact your [college/university keyholder](#). For a schedule of report releases, please see the [Report Calendar](#).

ISD/RESA Directory for Curriculum, Technical, & Train-the-Trainer Key Contacts

Each month the MI School Data advisory team provides to CEPI updated contacts for the ISD/RESA directory. [Click here](#) for the July 2020 publication. If any contacts have changed for the 2020-21 school year within your ISD/RESA, please provide the update(s) to your ISD/RESA General Education Leadership Network (GELN) contact.

Wishing everyone a safe and healthy summer!
