

MI School Data News and Updates

Updated as of August 18, 2021

This page is updated the first and third Wednesday of every month with news and report release information. For a schedule of report releases, please see our [Report Calendar](#).

Released to the Public

- A new downloadable file, the Parent Dashboard data file, has been added to the [K-12 School Data Files](#). This file contains all available metrics at the selected location setting. Users can view school-level data for one school or for all schools within a district, ISD or statewide. The option to download directly from the Parent Dashboard will be added in the future.
