

MI School Data News and Updates

Updated as of May 5, 2021

This page is updated the first and third Wednesday of every month with news and report release information. For a schedule of report releases, please see our [Report Calendar](#).

Released to the Public

- COVID-19 continues to affect how districts provide instruction to their students. The [Extended COVID-19 Learning Plan Dashboard](#) has been updated to include new data collected as of April 23.
- The [Parent Dashboard Postsecondary Enrollment](#) metric has been updated with 2020-21 data.

Coming Soon

- The target and performance data on indicators 1 to 14 of the Special Education **Annual Public Reporting** for the state and districts will be released in preview, along with the Indicator data files with Part B and Part C information. During the preview period, logged-in users will see the updated report listed in the Special Education menu under the K-12 Grade dropdown as "New Annual Public Reporting (for secure users - preview only)."
- Postsecondary data showing enrollment, credit accumulation, remedial coursework and degree attainment, along with select demographic breakdowns for each high school graduating class are packaged in the [Postsecondary Trends by High School](#) report. School year 2019-20 data will be added.
