Coming into Preview This Week

- [College Readiness](#): 2018-19 data will be added to this report, which shows students' SAT performance in Mathematics and Evidence Based Reading and Writing. Data will be released in preview and become publicly available following MDE's official release of the data.
- [English Learner Assessments](#): These reports showing how English Learners performed on the WIDA ACCESS assessment for ELs will be updated in preview with percent and count of students proficient, levels of language proficiency achieved based on a scale of 1-6, and scaled scores for the 2018-19 school year.
- [Grades 3-8](#) and [High School Assessments](#): These reports will be updated in preview with M-STEP, SAT and MI-Access data for the 2018-19 school year. PSAT data will be added to Grades 3-8 Assessments beginning this year, and will show performance levels, scaled scores and proficiency data for 8th grade English and Mathematics. Data will be publicly available following MDE's official release of the data.

Coming Soon

- [Parent Dashboard](#) – Ratio of Students to Instructional Staff: This metric will be updated with 2018-19 data. A new filtering feature will also be added to this metric, allowing ratios to be filtered by subject area. Data for each school are shown in comparison to the statewide average and the average for similar schools.

This page is updated the first and third Wednesday of every month with news and report release information. For a schedule of report releases, please see our [Report Calendar](#). Check the ticker on [MI School Data](#) for updated report release news.
