

MI School Data News and Updates

Updated as of December 2, 2020

Released in Preview

- Due to COVID-19, the United States Department of Education waived many, but not all, of the required data elements for the 2020-21 [Annual Education Report](#). This year's report displays detailed information on high school graduation data, teacher quality, National Assessment of Educational Progress, and Section 1003 School Improvement funds for schools, districts, and the state. Data will be released in preview today and will be publicly available after two weeks.

Recently Released to the Public

- The following [Parent Dashboard](#) items have been updated:
 - **Qualified Teaching Staff** with 2019-20 data.

Coming Soon

- Data summarizing how school districts have rated the effectiveness of their teachers and administrators are shown in the [Educator Effectiveness](#) report. Due to COVID-19, many educators were not evaluated for the 2019-20 school year.
- The following [Parent Dashboard](#) items will be updated:
 - **Teacher Retention** with 2018-19 data.
 - **Teacher Years of Experience** with 2019-20 data.

This page is updated the first and third Wednesday of every month with news and report release information. For a schedule of report releases, please see our [Report Calendar](#).
