MI School Data
News and Updates

Updated as of July 3, 2019

Recently Released:

- The Kindergarten Count report shows the publicly funded early childhood education programs in which students were enrolled, such as *Early On®*, Early Childhood Special Education, Great Start Readiness Program, Head Start, GSRP/Head Start Blend and Developmental Kindergarten, before entering kindergarten. The report has been updated in preview with 2018-19 data. The preview period will last one week before the data become available to the public.

- The Retained in Grade report shows the number and percentage of students who were enrolled in the same grade level for two or more consecutive years. The report has been updated in preview with 2018-19 data and will be released to the public after a week.

- The Special Education Enrollment data file provides the number of children receiving special education services from public school districts. Data for school year 2018-19 are now available.

Coming Soon:

- The secure Student Pathways report shows student-level information on college enrollment, coursework, cumulative credit, program and award information, and GPAs from in-state and out-of-state colleges and universities. The report will be updated with 2017-18 data.

This page is updated the first and third Wednesday of every month with news and report release information. For a schedule of report releases, please see our Report Calendar. Check the ticker on MI School Data for updated report release news.
