MI School Data News and Updates

Updated as of March 17, 2021

This page is updated the first and third Wednesday of every month with news and report release information. For a schedule of report releases, please see our Report Calendar.

Released to the Public

- The number of Michigan public high school graduates who enrolled in a college or university within 6 months of high school graduation have been updated in the **College Enrollment by High School** report for fall 2020.

- **College Enrollment Destination** The colleges and universities in which public high school students enrolled 6 months after graduation, by graduation year and school or district, have been updated with fall 2020 data.

- The **Early Childhood Program Participation by Kindergarten Class** report shows the publicly funded early childhood education programs in which students were enrolled before entering kindergarten, such as *Early On®*, Early Childhood Special Education, Great Start Readiness Program, Head Start and GSRP/Head Start Blend. The report has been updated with 2020-21 data.

- COVID-19 continues to affect how districts provide instruction to their students. The **Extended COVID-19 Learning Plan Dashboard** has been updated to include new data collected as of March 8.

- Data for 2020-21 have been added to the **Foundation Allowance** report, which shows the amount of revenue a selected public school district receives from the state per student enrolled.

- The **Parent Dashboard** has been updated with 2019-20 graduation and dropout rates.

Released in Preview

- The **College Undergraduate Enrollment** report offers a closer look at undergraduates at Michigan's colleges and universities, including the number of degree-seeking students, student age, and whether students graduated from a Michigan public high school the year prior to enrollment. The report has been updated with 2019-20 data and will be publicly available within a week.

- 2020-21 data have been added to the **Schools of Choice and Other Non-Resident Enrollments** report. This report displays counts and percentages of students enrolled in a school outside of the district where they live. Data will be publicly available within a week.

Released for Secure Users

- Fall 2020 data have been added to the **Postsecondary Student Data File** for users with secure login access. This report shows student-level information on college enrollment, coursework, cumulative credit, program and award information, and GPAs for students from in-state and out-of-state colleges and universities.

Coming Soon

- A new data file, the **Community College Demographic Enrollment Profile**, will be added to MI School Data on the Postsecondary Data Inventory page. Starting with 2019-20 data, the file will show the number of students enrolling in and receiving degrees at Michigan community colleges by age, gender and race/ethnicity.

- The following reports will be updated with 2019-20 postsecondary data for high school graduation years 2018-19 and prior:
  - The **College Enrollment by High School** report shows the number of Michigan public high school graduates who enrolled in a college or university.
  - **College Enrollment Destination** data show the colleges and universities where public high school students enrolled.
  - Student progression in postsecondary education after high school graduation is shown in the **College Progression by Graduating Class** report.
  - The **College Remedial Coursework** shows the number of Michigan public high school graduates who took at least one remedial course after enrolling in a Michigan college or university the year after high school graduation.
  - The **On-Track College Progress** report shows the amount of time Michigan public high school graduates take to accumulate 24 college credits.

- The following **Parent Dashboard** metrics will be updated:
  - The **Postsecondary Completion Rate** and **Postsecondary Persistence Rate** metrics will be updated with 2019-20 data.
  - The **Ratio of Students to Instructional Staff** and **Ratio of Students to Support Staff** metrics will be updated with 2020-21 data.
