

MI School Data News and Updates

Updated as of November 6, 2019

Recently Released

- Data showing early intervention and special education services delivered to Michigan children during three important age spans – birth to third birthday, third birthday to kindergarten entry, and kindergarten to 3rd grade – have been updated in the Continuity of Service in Special Education reports with school year 2018-19 data.
 - The [Service Comparisons](#) report shows the percentage of students receiving services in each age group for a selected ISD compared to the statewide percentage.
 - The [Service Pathways](#) report shows the number and percentage of children receiving services in each age group, as well as when children began and finished receiving services.
- For users with secure logins, the [Student Pathways](#) report shows student-level information on college enrollment, coursework, cumulative credit, program and award information, and GPAs from in-state and out-of-state colleges and universities. The report has been updated with school year 2017-18 data.
- Teacher Retention data on the [Parent Dashboard](#) have been updated for the 2017-18 school year. This metric displays the number of teachers who remain at the same school year-over-year.

Coming Soon

- Data showing the number and percent of 3rd, 8th and 11th grade students who were proficient on the M-STEP and SAT and were identified as “Section 31a At Risk” will be updated in the [At Risk Student](#) report with school year 2018-19 data.

- The following [Parent Dashboard](#) metrics will be updated. These metrics show data for each of the most recent three school years for the selected school, the statewide average and similar schools based on distance or student characteristics.
 - The Teacher Years of Experience metric showing the median number of years of experience in Michigan for teachers at a selected school, statewide and at similar schools will be updated with data for the 2018-19 school year.
 - The full time equivalent counts of non-instructional support staff, such as guidance counselors and school nurses, are shown in the Number of Non-Instructional Staff metric, which will be updated with data for the 2017-18 and 2018-19 school years.
 - School year 2018-19 data showing the percent of students who enrolled and passed advanced coursework will be added to the Enrolling and Passing Coursework metric. Advanced courses include Advanced Placement classes, International Baccalaureate courses, Career and Technical Education programs, Early Middle College classes and Dual Enrollment classes.

Update Contact Information and Points of Pride in EEM by Dec. 2

EEM authorized users need to ensure that the lead administrator, contact information, and Points of Pride are up to date by 11:59 p.m. Dec. 2 for the information to be reflected on the Parent Dashboard, AER and Our Schools at a Glance with the next refresh in January.

This page is updated the first and third Wednesday of every month with news and report release information. For a schedule of report releases, please see our [Report Calendar](#). Check the ticker on [MI School Data](#) for updated report release news.
