MI School Data
News and Updates

Updated as of September 4, 2019

Recently Released

- The Performance metric on the [Parent Dashboard](#) for School Transparency has been updated with data showing the percent of students who earned proficient or advanced scores in various subjects on the 2018-19 school year M-STEP, MI-Access, SAT and 8th grade PSAT for a given school, compared with the statewide average, as well as the average percentage at similar schools.

- The [Tuition and Fees](#) report shows a breakdown of financial costs to students in each of Michigan's 28 community colleges. Data for the 2019-20 school year have been added to the report.

Coming Soon

- [Parent Dashboard](#) metrics updated with data for the 2018-19 school year:
  - The Qualified Teaching Staff metric shows the percentage of teachers certified to teach in their assigned subject.

  - The Ratio of Students to Instructional Staff metric also have a new filtering feature that allows ratios to be filtered by subject area.

  - The Student Attendance metric displays the average attendance rate for a selected location.

  - The Student Transfers metric shows the percent of students transferring into and out of the selected school.

  - The Suspension and Expulsion metric shows counts of students who were reported as suspended or expelled during the school year.

- The Achievement Gap report (secure in users only) shows comparisons of student achievement on state standardized tests. Comparisons can be generated between a variety of subgroups. This report has been updated with data for the 2018-19 school year.

- Data showing attendance rates for all students, chronically absent students, and not chronically absent students for 2018-19 will be added to the Student Attendance report.

- School year 2018-19 data will be added to the Student Mobility report, which compares numbers of students transferring to, transferring from, and remaining in a district after fall count day.

MI School Data Secure Account Deactivation

To streamline account maintenance processes, MI School Data accounts without login activity since April 1, 2018 will be deactivated on **Oct. 1, 2019**. Individuals with deactivated accounts will receive an unsuccessful login message and will be unable to access secure data. Users who wish to maintain their access should log in to MI School Data by Sept. 30, 2019.

This page is updated the first and third Wednesday of every month with news and report release information. For a schedule of report releases, please see our Report Calendar. Check the ticker on MI School Data for updated report release news.
