

Education matters.
Discover what's working in Michigan.

A service of the State of Michigan
Center for Educational Performance and Information

WWW.MISCHOOOLDATA.ORG

USEFUL INFORMATION

At-a-glance dashboards and customizable reports on student testing, enrollments, college readiness, finance, facilities, and more.

YOU CHOOSE THE SETTINGS

Choose your school or college, your view preferences, and get only the data you want.

SECURE ACCOUNTS

Educators can request permission to access student-level data for powerful analysis that can help improve student outcomes.

SOMETHING FOR EVERYONE

Families, educators, policy makers—
MI School Data has valuable information for every Michigan citizen.
