Charitable Gaming  
**Directive No. 6.06.01**

## **Charity Game Tickets** (Beat the Odds)

### **BACKGROUND**

Each deal of Beat the Odds contains 660 tickets and a seal card. Instant winners are contained throughout the deal. In addition, eighteen tickets, randomly distributed throughout each deal contain a sign up number. Players retain these for a chance to win up to five prizes totaling \$320.

The seal card has five rows of windows. The top row contains one window and each descending row contains one more window than the previous row. Concealed behind each window is a sign up number.

Each row is associated with only ONE prize. Players holding tickets bearing sign up numbers have a chance to win a prize from each row on the seal card.

### **INSTRUCTIONS**

1. Players that have a ticket bearing a sign up number should retain that ticket until all tickets in the deal have been sold and all prizes on the seal card have been awarded.
2. Before playing the seal card:
  - a. All tickets in the deal must be sold.
  - b. Announce that the seal card play on Beat the Odds will begin and identify the serial number of the deal that is being played.
3. The worker opens the top window ONLY on the seal card for that deal and announces the winning number. The winning number is shown to two or more players.
4. The player with the corresponding sign up number wins \$15.
5. The person with the winning sign up number then chooses ONE window from the next row on the seal card for the worker to open.
6. The worker opens the selected window from that row and announces the winning number. The winning number is shown to two or more players. The player with the corresponding sign up number wins the prize for that row and then chooses ONE window from the next row for the worker to open.
7. Repeat step 5 & 6 until one winner has been determined for each row.
8. If any prize from the seal card is not claimed when it is called, a neutral player may choose a window from the NEXT row for the worker to open.

### **RESTRICTIONS**

9. Prizes must be claimed within the time posted by the licensee but shall not be less than 14 days from the date the last ticket in that deal was sold.

10. Seal cards must be retained until the winner(s) have been determined or the prize claim period has expired, whichever comes first, and there are no disputes.

**PRIZE PAYOUT**

11. Each deal of Beat the Odds contains the following:

Takes In:	\$660.00 per deal (660 tickets @ \$1.00 each)
Pays Out:	\$495.00 per deal
Gross Profit:	\$165.00 per deal
% Payout:	75.00% per deal
% Profit (Net):	15.00% per deal
Winning Ticket Ratio:	1 in 5.84 per deal

<u>Number Of Tickets</u>	<u>Prize Amount</u>	<u>Winning Combination</u>
1	\$150.00	Seal winner
1	\$75.00	Seal winner
1	\$50.00	Seal winner
