A screenshot of the GoToWebinar interface. At the top, there is a menu bar with 'File', 'View', and 'Help'. Below it is a dark sidebar with several icons. The main content area is divided into two sections. The top section is titled 'Audio' and includes a 'Sound Check' button, a volume icon, and two radio buttons: 'Computer audio' (selected) and 'Phone call'. Below this, there is a red microphone icon and the word 'MUTED' in orange. A dropdown menu shows 'Transmit (2- Plantronics Savi 7xx)'. A volume bar with 10 green segments is visible. Another dropdown menu shows 'Speakers (2- Plantronics Savi 7xx)'. The bottom section is titled 'Questions' and contains a large empty text box. Below the text box is a smaller input field with the placeholder text '[Enter a question for staff]' and a 'Send' button. At the very bottom of the interface, it says 'Webinar Now' with 'Webinar ID: 200-167-467' and the GoToWebinar logo.
