

## MI Symptoms Discontinuation Notice

MI Symptoms will be discontinuing our Wellness Check on January 31st, 2022, and discontinuing the employer dashboard and the rest of the site on February 7th, 2022. On that date all users will lose access to the tool and all employer/work code administrators will lose access to the employer dashboard and lose the ability to download any past data you had. We would recommend downloading anything you need for bookkeeping **now**.

We have provided to you the MI Symptoms 'At Risk' algorithm and question list below, based on CDC guidelines. We strongly recommend you continue to screen symptoms based on this expert-informed algorithm.

### MI SYMPTOMS AT RISK ALGORITHM:

The user is "at risk" and should refrain from workplace entry if one or more of the below factors is true:

- Restrict for any one of [fever, cough, shortness of breath]
- Restrict for any two of any of the other symptoms
  - Note: "Diarrhea" and "Nausea or Vomiting" must combined with at least one other symptoms. Those 2 symptoms together are not sufficient for restriction.
- Restrict for any temperature  $\geq 100.4$
- Restrict if diagnosed with COVID-19 in the past 2 weeks
- Restrict if close contact with anyone else diagnosed with COVID-19 in the past 9 or less days
- Restrict if close contact with anyone else diagnosed with COVID-19 in the past 10, 11, 12, 13, or 14 days with symptoms after most recent close contact

### MI SYMPTOMS QUESTION LIST:

<p><b>Q1: List of Symptoms</b></p> <p>Text:</p> <p>Check any current symptoms that developed within the last two weeks</p> <ul style="list-style-type: none"><li>• Feverish</li><li>• Loss of taste or smell</li><li>• Sore throat</li><li>• Shortness of breath</li><li>• Diarrhea</li><li>• Chills</li><li>• Cough</li><li>• Headache</li><li>• Nausea or vomiting</li><li>• Muscle aches without recognized cause</li></ul> <p>[Select Symptoms]</p> <p><b>AT RISK IF:</b></p> <ul style="list-style-type: none"><li>• any single symptom or more of [fever, cough, shortness of breath] is selected</li><li>• any 2 of the other symptoms is selected (Note: "Diarrhea" and "Nausea or Vomiting" must combined with at least one other third symptom)</li></ul>	<p><b>Q2: Temperature</b></p> <p>Text:</p> <p>"Please enter your body temperature °F" [Enter Temperature]</p> <p><b>AT RISK IF:</b></p> <ul style="list-style-type: none"><li>• temperature <math>\geq 100.4</math></li></ul>	<p><b>Q3: Close Contact</b></p> <p>Text:</p> <p>Have you had close contact with someone who was diagnosed with COVID-19 in the last two weeks? [Yes or No/Not Sure]</p> <p><i>if yes, then ask:</i></p> <p>When was your most recent close contact with someone who was diagnosed with COVID-19? [enter date]</p> <p><i>if date is between 10 and 14 days ago, then ask:</i></p> <p>Have you had any symptoms since the most recent close contact? Symptoms include: fever, cough, chills, loss of taste or smell, headache, nausea, vomiting, muscle aches without recognized cause, diarrhea [Yes or No/Not Sure]</p> <p><b>AT RISK IF:</b></p> <ul style="list-style-type: none"><li>• close contact with anyone else diagnosed with COVID-19 in the past 9 or less days</li><li>• close contact with anyone else diagnosed with COVID-19 in the past 10, 11, 12, 13, or 14 days with symptoms after most recent close contact</li></ul>	<p><b>Q4: COVID-19 Diagnosis</b></p> <p>Text:</p> <p>Have you been diagnosed with COVID-19 in the past two weeks? [Yes or No]</p> <p><b>AT RISK IF:</b></p> <ul style="list-style-type: none"><li>• diagnosed with COVID-19 in the past 2 weeks</li></ul>	<p><b>Q5: COVID-19 Vaccination</b></p> <p>Text:</p> <p>What is your vaccination status? This will not affect your MI Symptoms Wellness Check Result.</p> <p>[Partially Vaccinated/ Fully vaccinated/ Not Vaccinated/ Opt out of sharing]</p> <p><i>No effect on At Risk designation</i></p>

### EMPLOYER CODE DOWNLOAD INSTRUCTIONS

We recommend all employers download a full history of their employee on January 31st before 11:59 PM EST.

In an effort to ensure employers have adequate time for downloads, we will keep your employer dashboards open until February 7th, 11:59 PM EST at <https://misymptomapp.state.mi.us/> while we shut down the rest of the site.

#### To access this feature:

1. Sign into a MI Symptoms account using an "admin" email for an employer code(s).
2. Go to "Employer Dashboard" using the top right navigation bar.
3. Click "View Responses" for the appropriate employer code.
4. Click "Download Current or Past Responses (csv)".
5. Select "Full Employer Code History" from the download options and select "Download".
6. Once all of the days have completed loaded, a full ZIP file will download.

*MI Symptoms began as a small project built by undergraduate students at the University of Michigan, and was the first tool we had all launched at this scale. We are grateful that the tool has become less useful for many of you as we now have vaccines for COVID-19 and understand much more about this virus. Thank you!*
