

REPORT TO THE LEGISLATURE
Pursuant to P.A. 114 of 2009
Section 433

Status of Contracts for Special Needs Re-Entry Initiative - January

Sec. 433. The department shall report quarterly on January 1, 2010, April 1, 2010, July 1, 2010, and September 30, 2010 to the senate and house appropriations subcommittees on corrections, the senate and house fiscal agencies, and the state budget director on the status of any contracts entered into under the June 2009 request for proposals for the re-entry initiative project for offenders with special needs. The report shall include information on all of the following:

- (a) The number of prisoners and participating parolees in each of the target population subgroups, including medically fragile, mentally ill, developmentally disabled, and youthful offenders.
- (b) Descriptions of the key services being provided to each subgroup under the contract or contracts.
- (c) Estimates of the average per-offender costs of services for each target population subgroup under each contract, compared to the average cost of prison incarceration for those populations.

Effective October 1, 2009, Professional Consulting Services, Inc. was awarded a contract for these services. Due to the minimal time span since the onset of this contract to collect significant data for the January 1, 2010 report, the first quarterly report only includes the parolees receiving services. The future reports will include an average cost within each of the associated service categories.

The table below represents the parolees receiving services in the given month:

| Service Category | October | November |
|--------------------------|---------|----------|
| Medically Fragile | 6 | 6 |
| Mentally Ill | 527 | 636 |
| Developmentally Disabled | 0 | 0 |
| Youthful Offenders | 25 | 27 |
