Section 802 (a)

Sec. 802. As a condition of expenditure of the funds appropriated in part 1, the department shall provide the senate and house of representatives appropriations subcommittees on corrections, the senate and house fiscal agencies, and the state budget director with all of the following:

Status of Payment from Contractors to Vendors - The Michigan Department of Corrections (MDOC), Bureau of Fiscal Management, periodically conducts a financial review of Corizon payments for timeliness and accuracy of claims payment information. The financial review for payment status of claims for Service dates beginning 7/1/2012 to 06/30/2013 for contract with Corizon showed that 96.4% of received claims were paid within 45 days. Of the 43,691 service claims received and processed from 7/1/2012 to 06/30/2013, there were 42,130 vendor claims (complete and with authorization codes) paid within 45 days. There were 1,561 vendor claims (3.6% of the total vendor claims) were paid after 45 days. Monthly reports are received by the MDOC detailing the status of all claims. There have been no complaints to the MDOC in the past year about any vendors receiving late payments for their services.
