Sec. 802. As a condition of expenditure of the funds appropriated in part 1, the department shall provide the senate and house appropriations subcommittees on corrections, the senate and house fiscal agencies, the legislative corrections ombudsman, and the state budget office with quarterly reports on physical and mental health care, pharmaceutical service, and durable medical equipment, for prisoners. Reports shall detail quarterly and fiscal year-to-date expenditures itemized by vendor, allocations, status of payments from contractors to vendors, and projected year-end expenditures from accounts. Status of Payment from Contractors to Vendors - The Michigan Department of Corrections (MDOC), Budget and Operations Administration, conducts a monthly financial review of Corizon payments for timeliness and accuracy of claims payment information. The financial review for payment status of claims for paid dates beginning 11/1/2019-11/30/2020 for the contract with Corizon showed that 96.3% of received claims were paid within 45 days. Of the 49,992 service claims (excluding lab claims) paid from 11/1/2019-11/30/2020, there were 48,176 vendor claims (complete and with authorization codes) paid within 45 days. There were 1,816 vendor claims (3.7% of the total vendor claims) paid after 45 days. Monthly reports are received by the MDOC detailing the status of all claims.
