

RICK SNYDER
GOVERNOR

STATE OF MICHIGAN
DEPARTMENT OF CORRECTIONS
LANSING

DANIEL H. HEYNS
DIRECTOR

OFFICE OF THE PAROLE BOARD

Attached is the Application for Pardon or Commutation -- Current Michigan Prisoner you requested. If you choose to apply for a pardon or commutation, you should complete this application **and submit one copy of it and any supporting documentation to the Office of the Parole Board (OPB).**

As required by Michigan law, upon review of the application packet, the Parole Board (the Board) will determine if the application has “merit” and take one of the following actions:

1. If the Board determines that the application **has merit**, the Judge and Prosecutor in the sentencing county will be asked for their position on the application. If neither objects to the application, a public hearing on the application will be held. After the public hearing, the Board will send the application, a transcript of the public hearing and its determination of merit to the Governor’s Office for a final decision.
2. If the Board determines that the application **does not have merit**, the Board will send the application and its determination of no merit directly to the Governor’s Office for a final decision.

In accordance with Administrative Rule 791.7760(2), the Board will accept an application only one time every two years. The Governor’s Office will notify the applicant once a final decision has been made.

Sincerely,

MICHIGAN PAROLE BOARD

DIRECTIONS FOR FILING AN APPLICATION FOR PARDON OR COMMUTATION OF SENTENCE

1. A pardon or a commutation of sentence is a matter of clemency – it is not a right. Please understand what it is you are requesting:

Pardon – The Governor uses his or her executive clemency powers to forgive a person convicted of a crime. A pardon removes the conviction and the associated penalty from the books.

Commutation of Sentence – The Governor uses his or her executive clemency powers to reduce a criminal sentence. This is not the same as a pardon, which wipes out the conviction.

2. The Parole Board (PB) is not required to act upon an application which is substantially identical to one that was previously denied within the last two years. The two year time period is measured from the date the previous application was received at the Office of the PB. If you file a substantially identical application within that time period, it will be returned to you.
3. Respond to every question. Be sure to list every crime for which you are requesting clemency. Be specific, detailed, and most important – be accurate. Be direct in your answers, but give enough information for the PB to understand your case. Type or print each response so that it is clearly understandable and legible. If there is not enough room on the form for your answers, you may attach additional sheets to complete your answer. If you do so, be sure to identify the question(s) you are answering on the attached sheets.
4. If your answers are incomplete, unclear, or unresponsive to the question asked, the application will be returned to you to properly complete and resubmit. This will delay consideration, so be direct, accurate, and complete in your answers.
5. When responding to question no. 3, give the **facts** of the crime and clearly describe the extent of your participation or your role in the offense.
6. Your answers to question no. 4 and no.5 should demonstrate to the PB what insight you have gained into your past criminal mindset and behavior. Your answers should explain how you have changed and what you have accomplished during your incarceration to bring about that change. Clearly describe why you are not a risk to the community. If you are requesting clemency due to a **serious** health issue, identify your diagnosis, prognosis, and the manner in which the condition is debilitating or affects your daily activity.
7. Please give as much detail as possible in your answer to question no. 6. List what plans you have made for life in the community and be specific. Let the PB know where you will live, what support systems you have, what programs you have looked into in the community, how you will support yourself, and generally what activities you will be involved in which will reduce the likelihood of future criminal behavior.
8. Additional documentation is not required but may be provided if it is relevant and clearly serves the purpose of verifying or adding additional information to your response. If you have filed prior applications with the same documents attached, please do not resubmit them. Instead, request that the PB review the documents you submitted with a previous application and provide a document list.
