Stand up for kids.

The Children's Trust Fund is Michigan's only statewide nonprofit organization dedicated to the prevention of child abuse and neglect.

Serving as a voice for Michigan's children and families, we lead the way to better health, safety and well-being by funding effective community-based programs.

CTF is funded by interest income from the trust fund, direct donations, grants, earned income, sales from the specialty license plate, fundraising events, and the income tax check-off campaign.

Join the Children's Trust Fund's efforts.

CTF provides funding for over 100 programs serving children in all 83 Michigan counties. Help prevent child abuse and neglect and stand up to kids in YOUR community by donating to the Children's trust Fund on your state income taxes!
